Singer/songwriter and Taylor alumnus [Andrew Belle](#) will perform in the Rediger Chapel/Auditorium at 9 pm, Friday, Nov. 17. The concert marks a return to the Taylor campus for Belle, who graduated from Taylor in 2006.

Belle's performance is part of Taylor Student Organization's Mainstage series.

Belle launched his solo career in Chicago in 2007, and released his debut EP *All Those Pretty Lights* on September 9, 2008.

In February 2010, Belle released his album *The Ladder*, which featured his single *In My Veins* – a song that has since been featured in episodes of four different popular television series, *Grey's Anatomy*, *Castle*, *Pretty Little Liars* and *The Vampire Diaries*.

In August 2013, Belle released the album *Black Bear* with influences from M83, Beach House and Washed Out. His latest album, *Dive Deep*, was released on August 25, 2017. *Dive Deep* debuted at number eight on Billboard Magazine's Heartseekers Albums chart.

Tickets for Taylor students, faculty and staff are \$6.00, and general admission is \$10.00. Tickets can be purchased at [Taylor's Event Brite page](#).
