OCKENGA TO GIVE ADDRESS AT HOMECOMING BANQUET

Dr. HAROLD J. OCKENGA '27, Pastor of the historic Park Street Church, Boston, since 1936, and one of America's leading voices in conservative protestant circles, will deliver a special Homecoming address at the Alumni Banquet, Saturday evening, October 4.

Dr. Ockenga holds eight degrees from six colleges and universities including the A.B. and Doctor of Divinity degrees from Taylor. He has been president of the National Association of Evangelicals, a member of President Truman's Clergymen's mission to Europe, and President of Fuller Theological Seminary, where he is now President of the Board of Trustees. In addition, he has authored ten books.

Park Street Church, which was featured in *Newsweek* as one of the great churches of America, supports 121 missionaries in 50 countries. At their 19th Annual Missionary Conference held last May, the church raised \$255,249 for their mission program, considered the largest individual church missionary undertaking in the country.

AERIAL PHOTO REVEALS SPECTACULAR ARCHITECTURE

The ultra-modern new Food Service Center and Men's Dormitory will be the center of attraction as Taylor begins her 113th year.

The low, wide building adjoining the "Dome" on the north houses the kitchen, cafeteria line, and the private dining room seating 80.

Note the new sidewalks leading to the new buildings, particularly the circular walk surrounding the dining room.

A Letter from the Homecoming Chairmen

Dear Alumni and Friends,

Each year at Homecoming we are encouraged by Taylor's progress and inspired by her wholesome Christian atmosphere and evangelistic zeal. Certainly, this year will be no exception.

We have always been proud of Taylor, but never have we been so proud as we are now. You, too, will feel that pride when you arrive for Homecoming this year. The 1958 Homecoming will give visible evidence of great accomplishments in the areas of expansion, sports, evangelism, and music.

The inspection of the new dormitory and food center, Coach Davenport's Taylor Trojans' encounter with the Anderson Ravens, the Jerome Hines Concert, and many other events promise one of the best Homecomings in years.

Never have schools like Taylor needed more interest and support than they do now. Mark your calendar, and let nothing interfere with your being on campus October 4th.

ALUMNI GOALS OF \$50,000 AND 50% PARTICIPATION SET FOR 1958-59

The Alumni Fund Committee in a meeting at Warsaw, Indiana on September 2, set goals of \$50,000 and 50% participation for the Alumni Association.

With the sense of loyalty and responsibility which Taylor Alumni and former students show toward the college, and because of the remarkable records which the alumni have achieved in the short history of the fund program, the Committee feels strongly that in a few more years Taylor should become one of the top colleges in the country in alumni participation.

The total number of alumni now listed is 2900, which means that 1,450 will need to share in the fund program this year (ending June 30) in order to reach the 50% participation goal. Last year 951 (34.6%) responded.
