OUR SPEAKERS

The speakers for the 1950 Youth Conference are outstanding Christian leaders who have been greatly used of God in the extension of His Kingdom. Every young person will want to hear their soul-stirring messages—messages that come from hearts burning with a zeal for youth.

Rev. Orval Butcher—

Rev. Butcher, our evangelist, is presently engaged as Director of Youth Work in the First Covenant Church in Minneapolis, Minnesota—the church of which Dr. Paul Reese is pastor. Rev. Butcher has had a very fruitful ministry in Youth for Christ work—in both the capacity of evangelist and gospel singer. Rev. Butcher was in Scandinavia last summer as a member of a Youth for Christ team. He has come back to the United States with a heart burning for youth.

Rev. Paris Reidhead—

Rev. Reidhead, our missionary speaker, is a graduate of Taylor with the class of 1945. Following graduation, he has been serving the Lord as He has commanded—“Go ye into all the world and preach the Gospel...” He has had one term of service in the Anglo-Egyptian Sudan under the Sudan Interior Mission. At present, Rev. Reidhead is devoting full time to deputational and recruiting work. He has held missionary rallies in many parts of the United States.

Rev. Reidhead is burdened with the task of telling the “good news” of salvation to others. His witness to the miraculous power of God over sin in heathen lands is a challenge that thrusts deep into the heart of every Christian.

AS YOUTH—you will want to be a part of the 1950 Youth Conference. Here you will find the challenge of God presented in both song and sermon. Come, expect great things, and rich experiences in Christian fellowship will be yours.
Mr. Fred Luthy, from Cleveland, Ohio, came to Taylor after having completed three years of service in the armed forces. One of Taylor's thirty-three student-pastors, he is now serving a pastorate near Greenville, Ohio. Fred testifies, "The Lord Jesus has satisfied my every desire. He's a wonderful Savior, and I know from experience that we can 'Conquer with Christ.'"

Miss Ruth Warton was born of Missionary parents in Hamadan, Iran and has been in the United States since 1945. Miss Warton has had a fruitful Christian life including the organization of an interdenominational young people's society. Ruth affirms, "Since I've found my Lord great joy and happiness have come into my life. I dare not live a moment without Him. He has become my All-Sufficient Savior; He satisfies every longing of my soul."

Both of these Christian leaders extend a very cordial invitation to all to attend the 1950 Youth Conference.

**AS PASTORS**—you will desire for your young people the lasting benefits of the wholesome spiritual and social youth conference environment. Through these meetings many young people have been led to a saving knowledge of Christ and into Christian service.

**SPECIAL FEATURES**

Music.—"Praise ye the Lord; for it is good to sing praise unto our God..." (Psalm 147:1). Youth Conference is long remembered for the abundance of gospel music—both the inspiring congregational singing and the special numbers given by consecrated musicians.

This year, we are fortunate to have the services of Rev. Butcher, who is an excellent singer as well as evangelist. God has greatly blessed his ministry—his songs have a quality that brings a consciousness of the presence of God.

**Discussion Groups.**—Included in the schedule of services are the twenty discussion groups. It is in these meetings that many problems pertaining to the Christian life are considered. These groups make a real contribution to the solution of youth problems that will be met in the path of life.

**AS PARENTS**—you will want your children to experience the atmosphere of Youth Conference. Many—many young people have found Christ as the Answer to their every need. The influence of their walk with Christ is a source of great satisfaction to all Christians.
What Is the Purpose of the Youth Conference?
The Youth Conference seeks to lead youth into a life-transforming experience with Christ, and to instill in them the desire to live victorious enthusiastic lives with hearts devoted to His service. Further, it is aimed to help them grasp a vision of the multitudes who have never heard of Christ’s saving love. The generation of tomorrow needs to realize the obligation that it must fulfill. Consecrated Christian youth are urgently needed to carry the message of redeeming grace.
