# The Concerts

## Bob Bennett

Those who have discovered Bob Bennett's depth, wit, honesty and musicianship consider him to be one of Christian music's foremost songwriters. He has been writing and recording music since the 70's and has had an "Album of the Year" and several number one songs. His acoustic folk-style recordings have not only revealed his joys and victories, but also his disappointments, struggles and failures. *Small Graces*, Bennett's latest recording, reflects a refreshing outlook on life. It is about being observant. . .noticing the small things. This will be a meaningful concert for all who attend.

## Music department collage concert

The Music Department will present a dynamic concert featuring current students and faculty in a program consisting of sacred, classical and popular music. This year's concert includes participation by the Concert Chorale, Taylor Sounds, Jazz Ensemble, Symphonic Band, Chamber Orchestra and Bell Choir. Featured soloists will be current students selected by competitive audition; Dr. Leon Harshenin, professor of piano and graduate of the Juilliard School; and Dr. Fred Shulze, chapel organist, performing the ever-popular Prelude and Fugue in D Minor by J.S. Bach.
