FOR IMMEDIATE RELEASE

Upland, Indiana - - - The Taylor University Alumni Fund, sponsored by the college Alumni Association, ranks sixth in the United States among all small private co-educational colleges in the percentage of participation, Dr. B. Joseph Martin, President, has announced.

According to figures recently released by the American Alumni Council, 38.8% of Taylor's alumni contributed to the college during the 1958-59 fiscal year. Only five other American colleges in Taylor's category exceeded this record.

The Taylor Alumni Fund program is conducted by a volunteer corps of graduates who solicit contributions from other Taylor alumni in their respective areas throughout the country.

The fund organization this year consists of 227 volunteer workers, one for every 13 alumni of the college.

The President of the Alumni Association is Dr. M. A. Grant, Fairmount, Indiana, and the National Organization Chairman for the fund drive is Rev. Ernest Shumaker, Indianapolis.

The total funds contributed by the alumni reached a new record of \$41,117. Goals for the current college year, ending June 30, are 50% participation and \$50,000.
