Welcome to Youth Conference '82

Message From the President

I am excited to welcome you to Taylor's forty-ninth annual Youth Conference. Each year high school students and the Taylor community share in a unique and growth-producing spiritual experience. The hard work and prayer that has already gone into Youth Conference '82 makes me feel that this experience promises to be one of the highlights of your lifetime.

We want you to feel welcome while you are here and will do our best to help you know Jesus Christ personally and the joy and power associated with a daily walk with Him.

We are praying that you will enjoy and profit from this time with us.

Gregg O. Lehman
President

General Co-Chairman

It's so exciting to have a personal relationship with Jesus Christ! Yet, with all the doubts, fears and temptations that surround us in this evil world, it is so easy to lose sight of who He is and what He is all about. I am really thankful to have a weekend that is totally centered around Christ and learning more deeply what it means to live a victorious life and conquer those doubts, fears, and temptations. My prayer for the weekend is that we all be open to the leading and teaching of the Holy Spirit and experience the assurance that, "We are more than conquerors through Him who loved us." (Romans 8:37)

In Christ,

Janice Handy

What a challenge for us to be more than conquerors. As humans alone, it is impossible. But I have found that through the power of Jesus Christ we are capable of doing anything. My prayer for all of you this weekend is to fully open yourselves up to the possibilities God has in store for each one of you. Given the chance He will give your life an exciting and new meaning.

God Bless all of you!

A Word about Our Speaker . . .

The guest speaker for Youth Conference '82 will be Ken Overstreet, the San Diego Area Director of Youth for Christ, Campus Life and Youth Guidance.

Overstreet has been a leader in youth programming for the past 25 years, and all three of his organizations have received national recognition. He also serves as a Vice President of the Media Division for Youth for Christ/USA.

He hosted the national television special, "Is There a Family in the House," and was the associate producer of the television program, "Where Have All the Children Gone." Overstreet also helped create and syndicate the national radio program, "Reality", and is currently working on another television special which deals with major problems which face today's teenagers.

Some of Overstreet's other honors include being elected to the Board of Youth for Christ International, and serving on the President's Commission on Youth. He was also selected as the San Diego "Good Guy of the Year", and honored as one of San Diego's Ten Most Outstanding Young Men in 1976.

A "Note" About Our Entertainment . . .

One of the many highlights of Youth Conference '82 will be a concert by the contemporary Christian group, Found Free on March 26.

The seven members of Found Free have been performing for young and adult contemporary audiences for the past nine years. They tour extensively through the U. S. and Canada, covering over 80,000 miles each year, appearing in concert and on radio and television.

Their most recent album, "Closer Than Ever," was acclaimed by Campus Life as being, "a distinctly upbeat, contemporary style with vocal arrangements that carry the day!" Singing News said, "A pleasant

surprise a breath of spring a winning combination in a most enjoyable album!" According to Group Magazine the album is "a kaleidoscope of energy, sounds, styles, and pictures of freedom and excitement."

As national recording artists on the Greentree label, Found Free is highly respected by its peers, and has made appearances with B. J. Thomas, Randy Stonehill, Andrus, Blackwood and Co., Larry Norman, and many other top names in Christian Music.

A Found Free concert is exciting and entertaining, but also carries a personal message to the audience, which is warm and meaningful to everyone.

"Nay, in all these things, we are more than conquerors through Him who loved us."

Nothing can separate us from the love of Christ; not tribulation, distress, persecution, hunger, nakedness, peril, or even death. We can overcome everything with Jesus Christ. With Jesus as our Lord and Savior, we are victorious! Because the torch has been a symbol of winning throughout the ages, we chose to use not only a torch, but a torch raised in triumph, to symbolize the ultimate victory that is ours because Jesus is our King.
