Taylor After School Art Program Announced

PUBLISHED: Sep 29, 2017 3 pm

Taylor University's [Art Department](#) is offering an opportunity for children to develop and enrich their artistic talents. The After School Art program is open to elementary students grades K-6. Taylor University Art Education and Pre-Art Therapy majors will teach the lessons with the supervision of Professor Kathy Herrmann. Each teacher will determine the topics and media covered. The program runs four consecutive Fridays, from October 20–November 10, 3:30–5 pm. An art exhibit of students work will take place on Monday, November 13 at 7 pm. The cost is \$10.00 per student for all four lessons. Both the lessons and exhibit take place in Modelle Visual Arts Center. These classes fill quickly so please register early.

[Attached is a copy of the registration and medical release forms](#). Please return them along with the fee to the art office. If you have any questions feel free to contact Kathy Herrmann or [Cindy Reishus](#).
