Statement of Faith

The Fort Wayne Bible College is definitely committed to the conservative and evangelical interpretation of the Christian faith:

The divine inspiration and consequent authority of the whole canonical Scriptures.

The trinity of the Godhead—Father, Son, and Holy Spirit.

The fall of man, his consequent moral depravity, and the need of regeneration.

The incarnation of Jesus Christ to reveal the Father and to make atonement for the sins of the whole world through His substitutionary death.

Personal salvation by repentance toward God and faith in Jesus Christ.

The baptism with the Holy Spirit as a definite, crisis experience subsequent to conversion for purity in life and power in service.

The personal, premillennial return of Jesus Christ our Lord.

The resurrection of the body, both of the just and the unjust.

The eternal life of the saved and the eternal punishment of the lost.

While the Bible College stands firmly for these truths, it considers the spirit of equal importance to the letter. It lays as much stress on the Christian character of the messenger as upon the orthodox correctness of his message. Accordingly, these fundamentals are also held to be essential:

Wholehearted love toward God and man.

Christian fellowship among believers.

Scriptural separation from the world.

Victory through the indwelling Christ.

Unswerving loyalty to Christ as Lord.

Consecration for rugged, sacrificial service.

The leadership of the Holy Spirit for the believer and the church.

A living, working faith in the promises of God for spiritual, physical, and temporal needs.

Zealous witnessing for Christ.
General Information

FOREWORD

Fort Wayne Bible College was established in 1904 to train men and women for Christian service. It was born of the vision and conviction that the supreme mission of the church is world evangelism according to the command of Christ. The school continues to be committed to that mission and its principal objective is to provide thorough training for the various ministries of the church in its world-wide mission. It is convinced that the great need of this period of spiritual crisis is adequately trained men who are filled with the Spirit, motivated by divine love, ready for sacrificial service and imbued by faith and vision.

The College is sponsored by the Missionary Church Association but it is operated as an interdenominational school; several societies are officially represented on the Governing Board and students come from more than twenty-five denominations.

The School operates on the college level and is accredited in the collegiate division of the Accrediting Association of Bible Institutes and Bible Colleges. Accordingly, graduation from high school or its equivalent is required for admission to the regular courses. Students from liberal arts colleges, both undergraduates and graduates, frequently come to the College to take advantage of the wide range of Bible studies and the opportunities of practical training. They are given advanced standing on the basis of transferable credits. A small number of older students who have not had the opportunity of a high school education may be admitted as special students.

Location

The city of Fort Wayne is near the center of the Middle West, with the larger cities of Chicago, Detroit, Toledo, Cincinnati, Columbus, and Indianapolis all less than two hundred miles distant. In an exclusive residential district in the southwest part of the city is the spacious Bible College campus. The north section embraces four acres and the south, fourteen. Removed from the noise and the soot of industrial areas, the College has an ideal environment for school life. Its stately oaks and elms that survive from virgin forest add beauty and charm to a spot that is sacred ground to many an alumnus.

School Plant

The school plant, valued at two-thirds of a million dollars, is modern and adequate. Five major buildings occupy the main campus. The first unit, now used as a men's dormitory, was built in 1904 and modernized in 1937. Bethany Hall, the central building, was constructed in 1929-30. The annex, an apartment
was added in 1937. Founders' Memorial, a spacious school building that has acoustically built practice rooms and studios, a chapel seating 500, a gymnasium, class rooms, and dining department, was erected in 1941-42. Providence Hall, a women's dormitory, was built in 1945. A 1948 addition is Residence Hall, a fine apartment building that also houses the school dispensary. Supplementing these facilities are four apartment buildings for staff and student families.

Library - - -

The Library occupies a well-lighted wing and is organized according to modern library principles for study and research. Volumes are most numerous in the fields of theology, Biblical literature, Christian education, and missions. A branch of the Fort Wayne Public Library, located only one block from the College, as well as the main library in the downtown area, is used by students.

An audio-visual aid department with a special audio-visual room supplements the educational program. This division of the library handles materials owned by the College and provides information regarding services by the recognized audio-visual aid centers. The College has standard equipment such as 16mm. sound projector, an Illustrovox, projectors for film strip and slides, phonographs for the music and language departments and Magnecord tape recorders.

Radio - - -

Recognizing the importance of radio as a means for Christian service, the College provides students an opportunity to receive practical training in accepted radio programming procedures. Primary outlet is "Sunrise Chapel," broadcast each weekday over one of Fort Wayne's radio stations, and also released over twenty-three other stations by transcription. Portions of "The Messiah," programs by the A Cappella Choir, and a weekly program by the Crusaders quartet, are also broadcast. A course in radio broadcasting, designed to present radio on the professional level with emphasis on Christian programming, is offered in the curriculum.

EDUCATIONAL PROGRAM

Course instruction has a threefold content and purpose: first, intensive and systematic Bible study to give the student the Christian world-view, to acquaint him with the gospel message, and to enrich his life spiritually; second, general education to broaden his knowledge of man, of society, and of the universe, and to integrate that knowledge with Christian theism; third, applied work through which skills are developed for Christian service.

A field of concentration in all courses is Bible. Study begins with survey courses and progresses to expositions of books. For the most part the direct method of Bible study is followed. The task of the instructor is conceived to be that of leading the student into apprehension of truth rather than that of confirming him in a special point of view or a particular school of theology.
The aim of such study is to develop ability to discover and to interpret the concepts of the Word of God, to enrich life through a personal and growing experience of God's love and grace, and to establish habits and techniques of study that will be useful throughout life.

General education is given a larger place in the four- and five-year programs leading to degrees than in the diploma courses. Integrated with theological studies are courses in general education from the humanities, the social sciences, the biological and physical sciences, that approximate the basic courses in the lower division of liberal arts colleges.

Applied courses are given in the fields of pastoral work, missions, Christian education, and sacred music. Generally these fields of study constitute a minor, but in the Bachelor of Religious Education course and in all courses in the School of Music the special field is a major.

Coupled with applied courses is a program of practical Christian service under supervision of the faculty. It is just as important to the Christian worker as the laboratory is to the scientist. Besides providing clinical experience in Christian work it is an expressional activity that complements formal classroom instruction. Specific assignments in practical work are made, beginning in the student's second year, in accordance with his training, aptitudes, and needs. The satisfactory completion of an assignment for one semester is considered one unit of practical work credit. For graduation from a three-year course, a student must have three credits; from a four-year course, five.

The Fort Wayne area offers many opportunities for gospel ministries. Among these are Sunday school and child evangelism classes, street meetings, tract distribution and personal evangelism, home and hospital visitation, gospel team work, evangelistic and pastoral work.

Since adequate preparation includes Christian character and enduement, the training program embraces much more than formal instruction. The whole of school life—devotional exercises, household duties, social life, recreation—is included, so that the "man of God may be complete, furnished completely unto every good work." The varied phases of school life and all student activities, including intramural athletics, are meant to contribute to the enrichment of life and the building of character.

Devotional Culture

Since education of the heart goes hand in hand with the education of the mind, the College provides time for devotional culture. Its aim is to make the school a home with such a spiritual atmosphere that habits of prayer and meditation will be formed. The day is begun with "quiet hour," a period of private devotion before breakfast. Classes are opened by prayer. The mid-morning daily chapel service provides an interim for inspiration and worship. At five o'clock, students meet for a half hour of missionary intercession. Usually a period of informal devotions follows the evening meal. The half day which is set aside each month for prayer has proved invaluable in heart searching, cleansing, and intercession.
Social Life - - -

The many opportunities of fellowship are used for the enrichment of Christian personality in an atmosphere of culture and spirituality. Apart from the ordinary associations of dormitory life there are events in which the entire school participates—occasional receptions, outings, and special services. Co-education in the College is meant to promote wholesome relationships and Christian culture.

Manual Work - - -

Valuable training also is afforded in the household work performed by students. Boarding students are responsible for the care of their rooms, and most students do some kind of work to help defray expenses. All such work is supervised and is a part of the training program. It gives opportunity for training in dependability, industry, co-operation, and courtesy. In the care of their rooms, students are rated on cleanliness, tidiness, pleasing arrangements, and assumption of responsibility.

Physical Fitness - - -

To round out training for body, soul, and spirit, attention is given to physical fitness. Students are to spend one period each day in either outdoor or indoor recreation. Besides the gymnasium, a recreation room is provided. In the first two years students are enrolled in physical education classes that meet twice weekly and for which a total of four semester hours of credit is given. Exemptions are made only to students who submit a physician's statement of ill health or incapacity.

COLLEGE ACTIVITIES

Students' Mission Band - - -

The Students' Mission Band is an aggressive missionary society organized for the purpose of creating and stimulating interest in world-wide evangelism. Under student leadership, it meets once a week for a public service, with missionaries from various parts of the world addressing these meetings. Mission Band also conducts daily prayer meetings with a weekly schedule of prayer including every mission field. It contributes the full personal support of two missionaries on the field, Miss Florence Cavender of Colombia, South America, and Rev. Joseph Shisler, missionary to Sierra Leone, Africa. It also has assumed the financial obligation of a weekly broadcast of the campus radio production of "Sunrise Chapel" to HCJB, Quito, Ecuador.

College Yearbook - - -

The Light Tower is published annually by the Senior Class and portrays school life throughout the year and serves as a memorial of Bible College days to graduates. This student publication affords helpful experience to those interested in the field of journalism.

Annual Youth Conference - - -

Each year the students of the Bible College sponsor a fall conference for the youth of this region, irrespective of denominational affiliation. Designed to
relate young people to Christ in salvation, sanctification, and service, the conference is planned by a committee of students, who secure outstanding youth speakers, missionaries, and musicians for the program.

Choir Tours - - -

During the second semester each year, the A Cappella Choir makes a tour to various parts of the Midwest or East. The programs are distinctly spiritual and aim at glorifying God by presenting the gospel in song.

Camera Club - - -

A Camera Club functions for the purpose of familiarizing students with techniques of photography and modern projection and photographic equipment. Membership is primarily for students who are missionary candidates and who may use photography in Christian work. The center of activities of the Camera Club is a well equipped processing laboratory.

Wiswell Speech Award - - -

Students enrolled in public speaking may compete for awards, totaling $50.00, presented each year by Mr. and Mrs. H. E. Wiswell. The contest is a public event, and is held during commencement week.

STANDARDS OF ADMISSION

Christian Character - - -

It is assumed that young people who come to the College are definitely committed to God's will for their lives and have a firm purpose to prepare themselves to serve Christ. An applicant should have a teachable attitude and an earnest desire for truth as prerequisites to worthy achievement.

Admission to the College is to be considered a privilege, not a right. The College may therefore ask a student who proves unworthy to withdraw at any time.

Academic Preparation - - -

Students coming to Bible College directly from high school are at an advantage if they have pursued a college preparatory course. Literary studies are generally of more value than technical or vocational courses. However, some commercial work, particularly typing, bookkeeping, and shorthand, is valuable. The student should have a good foundation in English, particularly in the mechanics of the language. Four years of other language study are recommended, two in Latin and two in a modern language, i.e., German, French, or Spanish. World history is invaluable as a background for Bible study.

All high school graduates are required to take a comprehensive entrance examination in English. Those who do not pass are required to take English 001 without credit in the standard three and four-year courses.

Application for Admission - - -

The first step in seeking admission is to make formal application. A form for this purpose is available. (See last page of catalog.) After mailing or
presenting it to the Registrar, the applicant should wait for notification of acceptance. The student must receive a favorable reply before coming to the College.

Accepted applicants are advised to enter the school at the opening of a semester, preferably the first. It is a distinct advantage to begin studies with the first session of classes. No enrollments are made after the first three weeks of a semester.

Presentation of Credits - - -

Students are required to have official transcripts of all credits earned in high school and in any schools of higher learning sent to the Registrar at time of application. No application is passed upon until such transcripts are received. Transcripts become the property of the College.

Training of Veterans - - -

Fort Wayne Bible College is approved by the Indiana State Approval Committee to train veterans under the provisions of Public Laws 16 and 346 and 550. Korean veterans must apply to the Veterans Administration for approval of their educational programs. Veterans in training must continue their education without interruption until it is completed. Transfer from another school may in some instances be permitted, but the student must first get the approval of the Veterans Administration, and the proper Supplemental Certificate. A veteran must maintain the required standards of scholarship in order to continue his education.

ACADEMIC REGULATIONS

Student Load—The normal student load is fifteen or sixteen hours per week. During the first year the maximum load is seventeen hours; after that, eighteen hours. A student should be able to carry a normal number of hours under ordinary conditions. A minimum load of twelve hours is required of dormitory students.

Changing Courses—A change in enrollment may be made by the Registrar during the first three weeks of any semester, but after that, only by action of the faculty.

Electives—Any elective course in any semester will be offered if selected by as many as five students.

Transcript of Credits—Each student receives a report of his grades at the end of the semester. Upon graduation he is given one complete transcript of his credits. Additional transcripts will cost $1.00. Cash must accompany requests for transcripts.

Class Absence—Students are to be present for each class session unless given an excuse. An unexcused absence is penalized by a grade of zero for that day’s work. Unexcused absences immediately preceding or following a vacation count double. Three tardies count as one absence. All work missed through absence must be made up.
Special Examinations—Examinations missed because of an excused absence may be made up without penalty. A fee of one dollar must be paid in advance for an examination missed in an unexcused absence, and a grade of C is the maximum possible in this instance. Students who fail an examination may, at the instructor's discretion, be permitted to take a second one. The one dollar fee is also charged for this.

Grading Symbols—
A, 100-95—Superior scholarship.
B, 94-88—Above average.
C, 87-80—Average.
D, 79-70—Below average.
F, Below 70—Failure.
W, Withdrawal by permission.

Honors—At the close of each semester, the Registrar's office makes public an honor roll of all students who are enrolled for 12 or more hours and who have a scholarship index of 2.5 or more for the semester just completed.

Honor students shall be given the following recognition:

a. A student whose scholarship index for his entire college course is at least 2.35 shall receive a diploma or degree bearing the words "Cum Laude."

b. A student whose scholarship index for his entire college course is at least 2.65 shall receive a diploma or degree bearing the words "Magna Cum Laude."

c. A student whose scholarship index for his entire college course is at least 2.95 shall receive a diploma or degree bearing the words "Summa Cum Laude."

In order to be eligible to graduate with honors, a student must take in residence at least 60 hours of work for a diploma or 90 hours for a degree.

Point System—
As a qualitative index of credit the following point system is used:
3 points for each hour of A grade work.
2 points for each hour of B grade work.
1 point for each hour of C grade work.
0 point for each hour of D grade work.
-1 point for each hour of F grade work.

An average of one point for each semester hour of credit is required for graduation.

Point Requirements—To be eligible to continue in school, a student must have a point average as follows: after taking 30 semester hours, a .5 average; after 60 hours, a .75 average; after 90 hours, an average of 1.
Withdrawal from School—Any student who, for any reason, must contemplate withdrawing from school except at the end of a semester must consult with the Dean of Students. If it is legitimately necessary for a student to leave school, a form is available which, when completely filled out, clears the student with all departments of the school, and makes possible an honorable withdrawal. Failure to consult with the Dean and to make proper arrangements results automatically in "dishonorable withdrawal," and failing grades will be entered upon the permanent scholastic record of the student.

Seniors—In order to qualify as a senior, a student must have a scholarship index of not less than 1 at the start of his final year. Any senior whose index drops below 1 during the first semester of the last year will not be recommended for graduation.

Graduation—Each senior is required to make formal application for graduation at the Registrar’s office not later than February 20 of the year in which he plans to graduate.

To qualify for a degree or a diploma, a student must do at least one year of residence work in Fort Wayne Bible College, and must complete here the final twelve semester hours of work. Christian character is regarded as an essential for a recommendation for graduation.

SCHOLARSHIPS

Harley Davis Scholarships—Two scholarships of $300 each, payable in the first four semesters of a regular course, are granted each year to two high school graduates who rank academically in the top ten per cent of their classes and whose purpose is to prepare themselves for Christian service. Applications are made to the Registrar. The closing date for the reception of applications is July 1.

School of Extension Study

The School of Extension Study makes available some Bible and training courses to church workers and laymen who cannot attend classes in residence.

Courses listed later in this catalog that may be taken by correspondence and for which full credit is given are: NT 241 (Matthew), NT 242 (John), NT 141 (Acts), and Ev 172 (Personal Evangelism).

Several practical non-credit courses are also offered. These include Synthetic Course of the Old Testament, Synthetic Course of the New Testament, Pastor’s Course, and Sunday School Teacher Training.

A leaflet giving full information will be sent upon request—address: Director of School Extension Study, Fort Wayne Bible College, Fort Wayne 6, Indiana.
College of Bible

The College of Bible is designed to furnish courses of study on the college level aimed at preparing the student for all phases of full-time Christian work. Both degree and diploma courses are open to those who are graduates from an accredited high school. Special courses may be arranged for those who do not wish to work toward graduation but who desire subjects and training in keeping with special abilities and needs.

The first year in all programs of study is uniform, making it possible for students to make the final selection of their course at the beginning of the second year.

The B.R.E. course and the diploma courses with a minor in Christian Education meet the requirements of the Evangelical Teacher Training Association of which Fort Wayne Bible College is a member. Graduates in these courses receive a diploma from the E.T.T.A., and are thereby authorized to teach the Preliminary Training Course of the Association.

BACHELOR OF ARTS IN BIBLE

The course leading to the Bachelor of Arts in Bible degree constitutes a four-year program of study. The degree is granted upon the satisfactory completion of 126 hours of work. The major field of study is Bible and Theology; 30 hours in Bible and 10 hours in Biblical Theology are required. Greek exegesis, 3 hours in each semester of second year Greek, will count toward meeting the major in Bible. The student is also required to work out through electives a minor of at least 15 hours in a field of practical training of his own choice.

The fields in which the minor may be chosen and the requirements in each are as follows:

Pastoral Training. The required courses in the field of the minor are Homiletics, Expository Preaching, Pastoral Leadership, and Pastoral Seminar. Public Speaking is also required but does not count towards the minor. At least one semester of Christian Service credit must be earned as a student pastor or as an assistant pastor. This practical work is to be done under the direct supervision of the chairman of the department. Where possible the department will render assistance in finding openings for such service.

Missions. The required courses in the field are Christian Biography, History of Missions, Missionary Principles and Practices, and one year of foreign language or one year of linguistics. Any who qualify by examination may enter Conversational Spanish or French in lieu of the first year language study. Five hours of foreign language may apply toward the minor in Missions in the Standard Bible Course only.

Christian Education. The minor in Christian Education includes required courses in Principles and Methods, and Practice Teaching.

Sacred Music. The minor in Music is exclusive of Music 171. The re-
quired courses include Mu 172, Mu 271, and Mu 272. The student must also earn four hours of credit in one field of applied music.

PREPARATION FOR PUBLIC SCHOOL TEACHING

The College does not propose to offer the full programs leading to teacher certificates in the State of Indiana. However, the State Department of Public Instruction does approve the applicable courses when a student transfers to an accredited institution to complete his work. This arrangement economizes the time of preparation for those students who desire the benefit of some Bible school education and for those who choose the profession of public school teaching after beginning their studies in the College.

By selection of courses a special student may take from one to two full years of work in the College which will be validated by such institutions as Indiana University and Taylor University. How much Bible College work is applicable depends on the teaching certificate desired. Elementary certificates have more specific requirements than secondary; hence less general education or liberal arts courses are applicable.
Description of Courses

Courses are offered in four general divisions of study, namely, Bible and Theology, General Education, Communication Arts, and Specialized Training.

I. DIVISION OF BIBLE AND THEOLOGY

A. English Old Testament

OT 111—Old Testament Survey. An introductory yet comprehensive course of study of the historical books of the Old Testament from Genesis to Esther. Class lectures emphasize the distinctive features, particular teaching, outstanding characters, and main events of each book, with themes, outlines, and analyses. Provides a substantial basis for interpretation and a working acquaintance with this vital part of the sacred writings. Value, 4 semester hours. Offered in the first semester of each year.

OT 112—Old Testament Survey. A continuation of Old Testament 111 comprising the study of the poetical and prophetical books of the Old Testament, giving attention to historical background, content, and structure of the various books. Designed to acquaint the student with the development of the Messianic message and to awaken an appreciation of some of the finest of inspired writings. Value, 4 semester hours. Offered in the second semester of each year.

OT 311—Pentateuch. An advanced study of the first five books of the Bible dealing with introduction, origins, theological foundations for faith, historical beginnings and progress of humanity, the Jewish economy, decalogue, tabernacle symbolism, and the early development of the Messianic hope. Value, 3 semester hours. Offered in 1954-55.

OT 312—Isaiah. An intensive study of this major prophecy taking particular note of the problems of unity and authorship, historical background, the prophetic office, and the Messianic and millennial prophecies. Value, 3 semester hours. Offered in 1953-54.

OT 313—The Psalms. A critical introduction to the Book of Psalms is followed by detailed analysis of individual Psalms and a study of various groups, such as Messianic, penitential, theocratic, and millennial. Value, 3 semester hours. Offered in 1953-54.

OT 314—Daniel. A biographical, dispensational, prophetical study with consideration of the life and times of the prophet, the critical problems of
date and authorship, and the Messianic and Gentile-kingdom prophecies. Value, 2 semester hours. Offered in 1954-55.

OT 315—Jeremiah. A study of this major prophecy with its setting of Judah’s religious, moral, and civil decline, and its relation to other major nations of the period. Value, 2 semester hours. Offered in 1953-54.

OT 316—Post-Exilic Prophets. An advanced expository treatment of Haggai, Zechariah, and Malachi, with a view to discovering the message of each for its own times. Value, 2 semester hours. Offered in 1953-54.

OT 317—Job. In the trials of his severe testing Job and his three “friends” explore the problem of suffering. The “comforters” are proved wrong in their theory of Job’s punishment for wickedness, and Job acknowledges his arrogance and bows before Almighty God. Through his moments of discouragement, the grace of God from time to time enables him to break forth with the joy and visions of a great faith. Value, 2 semester hours. Offered in 1955-56.

OT 318—Early Minor Prophets. A study of Hosea, Joel, and Amos—three prophecies dealing with the spiritual crises of Israel in the 8th century B. C. The message of each prophet is studied in relation to its historical setting and its relevance to the contemporary crisis. Value, 2 semester hours. Offered in 1954-55.

OT 319—Minor Prophets of Israel’s Last Days. Fighting the corruption of society, as well as revealing God’s righteousness, patience, and love, Jonah, Micah, and Habakkuk anticipate coming judgment and the establishment of Christ’s kingdom. Value, 2 semester hours. Offered in 1955-56.

OT 321—Historical Books of the Captivity and Return. The effort to meet the problems of the captivity and the return reveals several grand characters. God’s patience and undefeatable purpose are portrayed in His dealings with the pitiful remnant as recorded in Ezra, Nehemiah, and Esther. Value, 2 semester hours. Offered in 1954-55.

B. New Testament Greek

NT 431-432—Advanced N. T. Greek. The translation of selections from various New Testament books and a study of their problems of grammar and exegesis. Value, 3 hours each semester.

C. English New Testament

NT 141—Acts. This is an introductory study to the latter half of the New Testament. It considers Christ as the ascended Lord operating through the church by the Holy Spirit. The history of the early Church, the missionary journeys of the Apostle Paul, and the labors of other Apostles are noted. Required in all courses. Value, 3 semester hours. Offered in first semester of each year.

NT 242—John. The Gospel of John supplements the synoptic Gospels and presents Christ as the Son of God; accordingly, its study is important for a complete view of our Lord's ministry and person. Required in all courses. Value, 2 semester hours. Offered in the second semester of each year.

NT 342—Romans. Paul's logical unfolding of the great doctrines of sin, salvation, and sanctification are studied. Special attention is also given to the chapters relating to God's plan for Israel and to the believer's obligation to God, to government, and to his fellow men. The practical standards and personal aspects, revealing Paul's interests and work, in the closing part of the book bring to an end the great scope of this wonderful epistle. Value, 3 semester hours. Offered in 1954-55.

NT 343—The Prison Epistles. This group includes Ephesians, Philippians, Colossians, and Philemon. The transcendent truths of the exaltation of Christ, the union of the church with its head, and the consummation of God's redemptive purpose give these books special importance. Value, 3 semester hours. Offered in 1953-54.

NT 344—The Corinthian Epistles. An advanced study of I and II Corinthians. An analysis is made of the church and pastoral problems that gave rise to these letters, and the application of Christian principles to their solution. Value, 3 semester hours. Offered in 1954-55.

NT 345—General Epistles. By analysis and exegesis the teachings of this section of the New Testament are set forth as they relate to doctrine and to the everyday problems of Christian living. Value, 3 semester hours. Offered in 1954-55.

NT 347—Hebrews. An exposition of this important epistle, which shows the pre-eminence of Christ and the superiority of Christianity to the Old Testament economy. A study that co-ordinates the institution of the law with the revelation of the Gospel and unfolds the present High-Priestly ministry of Jesus Christ. Value, 2 semester hours. Offered in 1954-55.
NT 348—Pastoral Epistles. An exegetical study giving attention to the doctrinal and practical aspects of these epistles with reference to their bearing upon modern pastoral problems, the nature of the organization of the New Testament Church, its function and development. Value, 2 semester hours. Offered in 1954-55.

NT 349—Galatians. Out of the heat of controversy, Paul shows the folly of those who have turned back from grace to law. He treats the relation of law and grace and the great doctrine of justification by faith apart from works. The closing part of the book shows the beautiful life of those who live by the Spirit. Value, 2 semester hours. Offered in 1953-54.

NT 352—The Apocalypse. This course consists of an exposition of the Book of Revelation. The predictions found therein are interpreted in the light of Old Testament prophecy, history, and current events. While the prophetic element is kept prominent, the devotional and practical value of the book is also emphasized. Value, 3 semester hours. Offered in 1953-54.

NT 354—Luke. The beautiful Gospel, which pictures the perfect Man, is full of special beauty and emphasis, giving it a distinction from the other synoptics. The stern teachings to the disciples during the Perea reveal the high standards which the Son of Man held as He was facing the cross. Value, 3 semester hours. Offered in 1955-56.

D. Biblical Theology

Th 361—Bibliology, Theology. A study of the doctrine of the Scriptures, showing them to be a revelation of God, inspired of Him, thoroughly accredited and the final court of appeal in all matters pertaining to creed and conduct; of God, the evidence of His existence, His personality, His attributes and perfections, and His existence as a trinity. Value, 2 semester hours.

Th 362—Theology, Angelology, Anthropology. This course consists of a study of the decrees of God as they concern nature—creation and preservation, and as they concern moral beings—providence and redemption; of the doctrine of angels, demons, and Satan; and of the doctrine of man, his creation, nature, and fall. Value, 2 semester hours.

Th 363—Hamartiology, Christology. In this course a study is made of sin, its nature, extent, and penalty; also of Christ, His pre-existence, His deity, His incarnation, and His redemptive work through the blood of the cross. Value, 2 semester hours.

Th 364—Pneumatology, Ecclesiology, Eschatology. Three major doctrines are studied in this course: (1) the Holy Spirit, His personality and deity, and His work in creation, in the world, and in the believer; (2) the Church, her origin, her ministry, and her destination; (3) the doctrine of the Last Things, including the Second Coming of Christ, the millennium, the resurrection, and the judgment. Value, 2 semester hours.
Th 365—Eschatology. A detailed and more extensive study of the doctrine of the Last Things, including the dispensations, the Second Advent, the tribulation, the millennium, the resurrection, the judgments, and the closing events and scenes of time. Value, 2 semester hours. Offered in 1954-55.

Th 367—Pneumatology. A more thorough study in the doctrine of the Holy Spirit, His personality, deity, and relationship to the Trinity, the world, and the believer. Value, 2 semester hours. Offered in 1953-54.

E. Christian Apologetics

Ap 371—Christian Evidences. This course deals with the proofs of Christianity. It considers also Biblical difficulties and anti-Christian theories, and helps the student find the satisfying answer to each. Value, 2 semester hours. Offered in the first semester of 1954-55.

Ap 372—Biblical Archaeology. This study offers a valuable apologetic for Christianity by familiarizing the student with important archaeological discoveries that throw light upon the Bible. Value, 3 semester hours. Offered in second semester of 1954-55.

Ap 373—Non-Christian Religions. The chapel is equipped with a Hammond concert organ and a Baldwin concert grand piano. Also included in the school's music facilities is an Orgatron, an electric organ used for practice purposes. A library of records is at the disposal of music students.

Each Christmas season the College Messiah Chorus presents Handel's "The Messiah," and during the commencement week the annual sacred concert is presented. Regulations

Conduct—In an institution of this kind, the regulation of conduct becomes necessary for the welfare of the group and the proper safeguard of the student. For this purpose a set of rules and regulations has been formulated and published in the B-C Book, and to these the student is expected to conform. The aim of the College is to provide an atmosphere most conducive to reverent study and development of strong Christian character. All regulation and training are directed to this end.

The College may at any time request the withdrawal of a student who does not conform to its rules or objectives.

Social Life—Social life and affairs are regarded definitely as secondary in importance during student days. Students should not expect the same liberties in social matters as they enjoy at home. Certain hours are set aside for study, during which visiting in one another’s rooms is prohibited. Loud and boisterous conduct is always considered out of place.

Students who marry before graduation will not be allowed to continue in school without faculty approval.

Dress—The wardrobe of each student should be made up of suitable and serviceable clothing. The New Testament standard of modesty in apparel is insisted upon. It is expected that clothing will be expressive of Christian standards and tastes. Rubber heels are required.

Equipment—Rooms are furnished with bedsteads, tables, chairs, and dressers. Students furnish rugs, window curtains, dresser and table scarfs, pictures, and any other articles desired to make the room cheery and homelike. Firearms and electrical equipment such as toasters, grills, etc., are not permitted.

Each dormitory student is expected to bring bedding for a twin bed, including a pair of blankets, comforter, bedspread, pillow, change of sheets, pillow slips, towels, and two napkins, all plainly marked on the right side with the owner’s full name in indelible ink. Payson’s ink is recommended. All students should bring a pair of gymnasium shoes.

Textbooks and school supplies are sold in the College bookstore.

Laundry—The College cares for the laundering of sheets, pillow cases, and napkins. Each student is responsible for laundering his towels and personal clothing. The College maintains a laundry service where most personal effects may be laundered at moderate rates.

Care of Rooms—Each student is responsible for the cleanliness and tidiness of his room. In addition to regularly cleaning his room he is expected to give it a thorough cleaning in the spring at the time designated by the hostess. Periodic inspections are made of all dormitory rooms.
Health—The College provides medical care for minor illnesses through a dispensary and the services of resident, registered nurses. It also provides a certain amount of care and benefits through insurance for injuries sustained in accidents. The cost of medical care above that provided by the College dispensary is assumed by the student. All cases of illness are to be reported promptly to the respective dormitory supervisors or the deans of students, and to the resident nurse on duty.

Automobiles—Students are advised to leave automobiles at their homes unless their use while attending school is actually necessary. Parking on the campus is limited and this privilege is granted only to students who secure written permission from the Dean of Students before coming to school.

Payment - - -

One-third of the semester's expenses is to be paid upon registration, and the remainder in monthly installments in advance. No student will be permitted to register for a new semester whose account is in arrears.

A deduction of one per cent is made from the above totals for regular boarding students if all is paid in advance.

Arrangement for Rooms - - -

In order to secure the reservation of a room, each applicant, after receiving a letter of acceptance, must make a deposit of $5.00. No room will be reserved until this deposit has been received. This fee is considered an advance payment and is credited to the student's account when he enrolls, but is not refunded in case of failure to occupy the room.

All single students outside the city of Fort Wayne are to room and board at the College unless for valid reasons an exception is made by officers of the College. When dormitories are filled, arrangements are made by the College for a limited number of students to occupy rooms in nearby residences and to take their meals in the school dining hall. While all such arrangements are made by or through the College, yet such students pay rental fees directly to the home owners. Rental fees in homes are generally a little higher than those charged for dormitory rooms.

Financial Adjustments - - -

The College reserves the right to change board, room, and tuition fees at the beginning of any semester if fluctuations in operating costs warrant it.

No deductions of board expenses are made on absences of less than a week. Students remaining for the Christmas vacation are charged at the regular rates.

The general service fee is not refundable in case of withdrawal. When a student makes proper arrangements to withdraw during the first eight weeks of a semester, he is charged tuition at the rate of 12 ½ per cent of the semester's total for each week in attendance and the balance is refunded. No refund is made if withdrawal is after the eighth week. Board and room will be charged at the weekly rates for the period in attendance. Any student discontinuing applied music during a semester will be charged at the individual lesson rate for the part of the semester taken.

Seniors who are in arrears can graduate only if approval is given by the Committee on Administration to make deferred payments. When such an arrangement is made, diplomas and degrees are held in the custody of the College and no credits are issued until the account is paid in full.

Self Help - - -

Many students find it necessary to earn a part of their expenses while in training. Obviously a student who must devote considerable time to secular work cannot carry a full study load and must therefore extend his course over more than the regular period of time.

The College has numerous job opportunities, which are granted to applicants on the basis of need and competence. While aptitudes and skills are
taken into consideration in assigning work, yet it is expected that students will perform co-operatively the tasks that are assigned to them. It is expected that students will carry through a work assignment for a semester except for reasons of ill health, and the privilege of earning a part of expenses in this way is conditioned upon satisfactory performance of duties.

There are also outside work opportunities in Fort Wayne for students who need to earn a part of their expenses while in training. Some part time work is available through the College placement service. Ability, initiative, and dependability are qualifications needed for remunerative positions. The maximum amount of secular work, including that done in the College, permitted to students who carry a full study load, whether boarding or non-boarding students, is 25 hours per week. The maximum may be less for students whose studies demand more time. Regular employment during the study hours of the daily schedule is to be cleared first with the Dean of Students.

For girls who are unable to live in the dormitory there are homes available in the community where they may work in exchange for room and board. Girls given homes are asked to come the day before registration in order to receive their assignments.

In order to reserve a home, a fee of $5.00 is charged, on the same conditions that a room reservation is paid.

Such vital, essential education needs the support of Christian people. Much more money is needed to provide thorough training than is paid in student fees.

Friends of Christian education may help the College in the following ways:

1. Gifts for current expenses. Annual gifts of $10.00 or more entitle one to membership in the Patrons' Council.

2. Annuity gifts by which a semi-annual annuity is paid to donor.
