## FORT WAYNE CAMPUS ALMA MATER RETAINED

We are pleased to announce that our Alma Mater, with a few changes in wording, continues as the Taylor University, Fort Wayne Campus alma mater.

Each campus will retain its own alma mater but a University wide hymn has been selected. The hymn chosen is "How Firm a Foundation" and will be used for many occasions on both campuses of Taylor University.

# DR. ROBERT NIENHUIS

## VICE PRESIDENT FOR THE FORT WAYNE CAMPUS

### Carrying on the Vision of Ministry and Service

**L**ittle did Bob Nienhuis know when he was first in contact with Taylor University and Fort Wayne Bible College in 1968 during a trip with Youth for Christ, that he would someday be the senior administrative officer of the institution that would be a blend of both colleges.

Dr. Robert Nienhuis was appointed to the senior administrative position of TUFW, Vice President for the Fort Wayne Campus, and assumed his new role on July 12.

*"I feel the last 25 years have prepared me for where I am today. . . a position of leadership in an educational institution dedicated to ministry."*

During the last 25 years Nienhuis has accumulated phenomenal experience in leadership, ministry and administration. Before coming to Fort Wayne he was Assistant Professor of Higher, Adult and Lifelong Education at Michigan State University and served as Specialist in the Department of Educational Administration. He has served on the faculties of Moody Bible Institute Evening School, Grand Rapids Baptist Seminary and Trinity Evangelical Divinity School. For eight years he was senior pastor at Bethel Baptist Church of Kalamazoo, Michigan and has held administrative positions with Youth for Christ in Detroit and Holland, Michigan.

A native of Holland, Michigan, he has earned degrees including a B.A. from Hope College; M.Div. and Th.M. from Trinity Evangelical Divinity School; and a Ph.D. from Michigan State University.

So being a Hollander and a native of "God's country" (a nickname many Wolverines use for the state of Michigan), what attracted Dr. Nienhuis to Indiana and to Taylor University?

*"The Fort Wayne campus of Taylor University is not your*

*Dr. Bob & Bette Jo Nienhuis*

*typical Christian liberal arts college. I saw a strong pastoral ministries program, the potential for effective adult education components and the vitality non-traditional students bring to the classroom."*

Just finishing the first semester of his new role, Dr. Nienhuis reflects on the past five months,

*"TUFW is a great asset to Taylor University as a whole and to the Fort Wayne community. The diversity and expertise of the people on this campus has made my time of transition an enjoyable one. I sense the strong heritage this campus represents and I am dedicated to continue that heritage and to broaden the*

*educational offerings while maintaining an emphasis on Christian ministry."*

The Nienhuis approach to leadership is one that focuses on the "big picture." He believes in gaining the wisdom of those who are involved before making a decision. He wants to be the "chief cheerleader" of his faculty and staff. He wants to celebrate the success of the people who make TUFW a great place.

Dr. Nienhuis and his wife, Bette Jo, make their home in Brown Gables, the former FWBC president's home which was recently purchased back by the college.

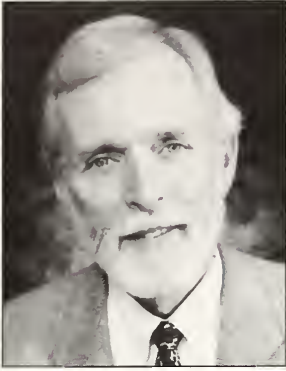

*"Bette Jo is my partner in ministry and we are both thrilled to be able to live so close to campus activity. I enjoy talking with the students on my walk home and having students stop by while we are working in the yard. We want the students to know us. We want the students to see us as their friends. We look for opportunities to be with the students, such as participating in their social functions and speaking in chapel on a regular basis."*

Dr. Nienhuis and Bette Jo have two daughters: Rebecca, a sophomore at Taylor Upland and Sarah, a high school junior.

The role of Vice President for the Fort Wayne Campus is a challenge, but Bob Nienhuis also sees it as a privilege. . . a privilege with many dreams.

*"My first dream is not to just equip our students to find a job, but also equip them for ministry. Another dream is to establish the reputation of TUFW as the college where one can obtain a quality degree, while being challenged for a lifetime of Christian growth and service."*

## TWO, TWO, T.W.O.'S ARE BETTER THAN ONE

The student directed ministry outreach program, Taylor World Outreach (TWO), has branched out from Taylor Upland to the Fort Wayne campus. The program, developed over 30 years ago in Upland, allows students to reach the world with the Gospel.

In its first semester on the Fort Wayne campus, students have had the opportunity to develop Campus Life programs, serve as counselors at Fort Wayne correctional facilities, visit nursing care facilities and participate in Taylor's Saturday Basketball League ministry.

There have also been special outreach opportunities on campus. Spiritual emphasis week brought outstanding chapel speakers to campus. World Opportunities Week (WOW), under the student direction of Meichelle Long and Hans Kindsgrab, brought missionaries from every country except two to the Fort Wayne campus.

TWO Director, Richard Baxter, is excited about the ministry of TWO and its potential,

*"Student leadership of TWO has brought new awareness and student involvement in possible outreach opportunities for students to participate while at Taylor, Fort Wayne."*

The enthusiasm is building as TWO sponsored evangelism activities are being planned for January and March of 1994. A team of students will deliver school supplies, collected on campus, to needy Russian children in January. Then in March another student group will travel to New York to reach out to inner-city youth, sponsored by R.U.N. ((Reaching Urban Neighborhoods), while a second team will travel to Guatemala to evangelize the children.

## PROFESSOR CHOSEN TO RECEIVE AWARD

Taylor University, Fort Wayne Campus Director and Associate Professor of Criminal Justice, Dr. Ronald Powell, was recently chosen to receive the 1993 John Manson/Carl Robinson award.

The award is presented yearly to an individual who has made a significant contribution to the field of criminal justice in the New England area. Powell is the former Commissioner of the New Hampshire Department of Corrections.

## CHRISTMAS WITH DINO

On Saturday, December 11, Taylor University, Fort Wayne Campus hosted its Second Annual Community Christmas Concert. Fort Wayne's own Brenda Whitfield, singer, teacher and songwriter, began the evening followed by featured artist, Dino Karsonakis. DINO inspired the hearts of the sold-out crowd. DINO's message in word and music will not be soon forgotten.

In the tradition of the Fort Wayne Campus, neighbors were special guests for the evening and once again received complimentary tickets. Over 140 neighbors joined in the festivities.

## TIS THE SEASON FOR SHARATHON

The WBCL staff and hundreds of volunteers are gearing up for the radio station's 19th annual Sharathon which is to take place January 11 and 12. For two days the station will exempt normal programming to put all efforts into raising the station's 1994 general operating budget. It truly is a miracle that in just two days the budget will be raised through pledges from thousands of listeners who are dedicated to the ministry of WBCL.

As has been the tradition of past SHARATHONS, Wayne Pederson, known for his radio programs "Footprints," "Discoveries" and "New Dimensions," will join the WBCL staff to lend his expertise, support and humor.

The 1994 goals have been set at \$600,000 for 90.3 listeners and \$100,000 for 89.5 listeners (89.5 fm is WBCL's simulcast station reaching northwest Ohio), giving a total goal of \$700,000. Last year over \$715,000 was pledged by 5,275 listeners.

WBCL, the radio ministry of Taylor University, has been broadcasting and inspiring their listeners for 18 years.

## JONAS A. RINGENBERG

*February 26, 1894 - October 26, 1993*

Jonas A. Ringenberg, interim president of Fort Wayne Bible Institute from 1944 - 1945, went to be with the Lord on October 26, 1993, just four months before what would have been his 100th birthday.

Rev. Ringenberg's Christian ministry spanned over 75 years of which he served in numerous roles including Missionary Church Central District Superintendent, editor of *"The Missionary Worker,"* interim president of Fort Wayne Bible Institute, president of the Missionary Church Association and Missionary in Kingston, Jamaica. He also pastored churches in Brinsmade, North Dakota; Milford, Nebraska; Grabill, Indiana; Archbold, Ohio; Cleveland and Hicksville, Ohio.

Dr. Jared Gerig, in his book *"A Vine of God's Own Planting,"* reflects on J. A. Ringenberg's time at the Bible Institute,

*"Rev. Ringenberg guided the school with God's help through trying times. His personal confidence and trust in God became a strong stabilizing factor."*

Jonas A. Ringenberg's impact in ministry and testimony will live on as a true memorial to his Christian commitment and love of his Lord.

## BASKETBALL LEAGUE REACHING INNER-CITY YOUTH

Taylor Fort Wayne's Saturday Basketball League is a fantastic example of a vision, linked with time, energy and prayer, becoming a reality.

Dan Wilson, former coach at Elmhurst High School, was challenged to start an inner-city basketball league. Tom Osbeck, former TUFW resident director, shared the vision to reach youth of the inner-city and what better way to do so than with what most youth like to do... play basketball!

With TUFW students volunteering as scorekeepers and coaches and the use of the college's Gerig Activities Center, the Saturday Basketball League was started. Beginning with only three kids, not quite a team, the league grew in popularity as did the attendance. Four teams were formed, Youth for Christ became involved, schedules were mapped out and t-shirts purchased (provided by Broadway Christian Church). By February 1993, over 200 kids were registered!

The league continues to be held on the Fort Wayne campus under the leadership of Corey Laster, one of those TUFW student volunteers who is now Assistant to University Relations at TUFW. The league is committed to having evangelism as its primary goal with the game of basketball as a tool to do so. Each Saturday pastors and other special speakers from the community volunteer to share the Gospel with the inner-city youth during the 30 minute intermission. In the first year of the program 55 kids accepted Jesus Christ as their Savior!

Current efforts are being made to link the new believers to local churches for discipleship and to support them in their commitment to Jesus Christ. Future plans include a fund-raiser to enable the league to purchase Bibles so each youth can have his/her own Bible.

## FALCON VARSITY SPORTS

**MEN'S SOCCER:** The men's soccer season was full of challenges and hard lessons. The team finished with 2 wins and 12 losses and 2 ties, as they completed a tough season in the NCCAA Division I. The team gained valuable experience from the season and look forward to the return of key players. The soccer team was coached by Jim Hughes.

**WOMEN'S VOLLEYBALL:** The record for the Lady Falcons is a poor reflection of the hard work displayed. They finished the season with 6 wins and 22 losses. Many of the players improved their overall skills as the year went on which will greatly benefit the team for next season. The volleyball team was coached by Sharon Gerig and assisted by Joan Smith.

**MEN'S BASKETBALL:** Men's Basketball is off to a terrific start. The team record currently stands at 7-1. Posting some impressive wins over quality opponents, the 1993-94 team is made up of talented sophomores and juniors. Among the Falcons most recent accomplishments was the defeat of the #1 rated NCCAA Division II team. Anchoring the team this year is a 6' 3" sophomore forward from Fort Wayne, Jason Berkhalter. With the addition of Berkhalter and returning starters, Chad Liechty, Scott Haddix and Thad Winter, the Falcons are quickly making a name for themselves in NCCAA Division II. Bud Hamilton is the coach of the men's basketball team.

**WOMEN'S BASKETBALL:** The women's basketball team has had a rough start. The team is primarily made up of young players who are quickly learning college basketball. The team has a current record of 1-7. Coach Joel Brown is confident the team will improve as the season progresses.

## FIRE DESTROYS MAINTENANCE OFFICES AND WAREHOUSE

A multi-alarm fire at Taylor University, Upland, on November 11 destroyed the school's maintenance offices and warehouse, and led to the evacuation of a nearby housing development. The Ralph Boyd Buildings, Grounds, and Maintenance Facility, which housed offices and school furniture as well as a large storage building adjacent to the site, were gutted.

There were no injuries, although nearby residents were evacuated when it was feared that paint, pesticides and other chemicals stored in the warehouse could explode and cause the release of a toxic cloud.

The fire began shortly after 3:00 a.m. and was still smoldering at 7:15 a.m. The loss from the fire is estimated close to \$1 million.

Dr. Charles R. Jagers, Vice President for University Relations at Taylor, praised the fire fighters at the scene saying that the "excellent and fast response" from the fire departments probably saved another warehouse which is located next to the fire site.

This marks the second major blaze to hit the Upland campus in the last seven years. The Helena Building, which housed Taylor's theater, was gutted during an August, 1986 arson fire.

## TAYLOR UPLAND COMPLETES FIRST SUCCESSFUL CAPITAL CAMPAIGN

Taylor University president Jay Kesler declared the university's \$8.5 million capital campaign a success and stated the goal has been exceeded by over \$200,000. The announcement was made at the fall board meeting on the Taylor campus.

The campaign's goals were to raise funds for the construction of the Randall Environmental Center and the Rupp Communication Arts Center as well as their operational endowments. The Randall Center

was finished and dedicated in 1992. Construction began on the Rupp Communication Arts facility in May, 1993, and is due for completion in August, 1994.

President Kesler called the completion of the campaign, "a crowning achievement in Taylor's history," and stated that the successful effort was due to the "unselfish commitment and total involvement" of Taylor board members, friends, alumni, faculty, and staff.

## COMMUNICATION ARTS CENTER

Now under construction, and scheduled to open next fall, is the new \$4.9 million communication arts center on the Upland campus. It is a project that has been a long time in the offing. The first official discussions of the matter were held over 20 years ago.

When finished, the center will house a theatre, television studio, journalism lab, offices, classrooms, and various other rooms and studios.

## UNIVERSITY MAKES GRADE

Taylor University is among the colleges and universities included in the recently released 1993-1994 edition of *Peterson's Competitive Colleges*. Other recent honors for the school include consistent recognition by *U.S. News and World Report* as one of the top ten regional liberal arts colleges, and by the Templeton Foundation, which lists Taylor as among the top character-building colleges in the nation.

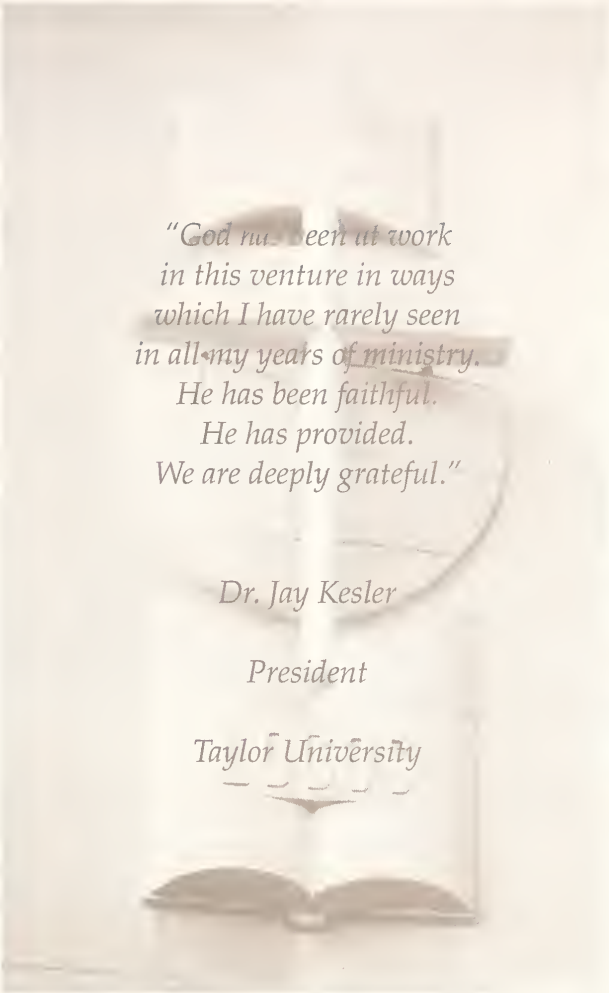

According to its publisher, the competitive colleges guide may be used to identify colleges and universities that consistently attract the most accomplished students. Criteria for inclusion in the guide are based upon the scholastic achievements of each listed institution's respective freshman class.

## ROPES COURSE INSTALLED

A 25-station ropes and challenge course has been installed on the Upland campus. Called "Escape to Reality," the course was donated by Jeff Dye (Upland '67), founder and president of Experiential Therapists, Inc., Houston, Texas. Dye's company specializes in the installation of challenge courses and in providing training in proper usage and safety procedures. He has set up over 80 courses in 20 states.

Plans call for Escape to Reality to be used for Health, Physical Education and Recreation-related courses and by various campus groups.

A framed image of an open book with text overlaid. The text is a testimonial from Dr. Jay Kesler, President of Taylor University, expressing gratitude for God's work in a venture.

*"God has been at work  
in this venture in ways  
which I have rarely seen  
in all my years of ministry.  
He has been faithful.  
He has provided.  
We are deeply grateful."*

Taylor University

"Listen to Our Hearts" was the last publication we sent you from the Fort Wayne campus. As I read through the names of the hundreds of individuals who faithfully give to the ministry of the Fort Wayne campus, it is very clear that Fort Wayne is dear to many hearts.

Our first year as Taylor University, Fort Wayne Campus was a year of transition, a year of ups and downs, a year of many accomplishments. . . and through each day God's faithfulness reigned. Through each day the partnership of His people was a tremendous source of blessing and encouragement.

On behalf of the Fort Wayne campus, I express great appreciation for your partnership with us. I believe God has great things in store for Fort Wayne and I am confident God uses His people as vessels to carry out His perfect will.

Thank you for "Listening to Your Heart."

*Taylor University recently purchased back "Brown Gables!" The home, located at 827 W. Rudisill, was originally purchased in 1960 and served as home for the college's presidents for 20 years. The home was then sold. Taylor took advantage of the opportunity to repurchase the home this summer and is excited that Bob and Bette Jo Nienhuis now make "Brown Gables" their home. . .allowing them to live in the midst of campus life.*

Marjorie Holloway  
 Donor Receiver

*"It has been my pleasure to work in the Development Office for Fort Wayne Bible College, Summit Christian College and now Taylor University, Fort Wayne Campus.*

*As gift envelopes are opened and amounts totaled together, it is a JOY to see how faithful donors are for the training of young men and women to serve our Lord Jesus Christ. May I take this opportunity to say thank you for your faithfulness!*

*After coming to the college to just "help out" for two days, I have been here 16 years. (Takes me a long time to get the work done!)*

*I feel the Lord brought me here and now I feel His leading to leave, so as of January 2, 1994, I will be retiring. I pray my successor will enjoy the recordkeeping, changing of addresses, reporting and receipting as much as I have."*

# Ordinary People in Extraordinary Circumstances...

Rick and Christina Dugan are not the first couple to experience struggles in their Christian walks, nor will they be the last. What makes their story unique is how they faced their circumstances, ordinary people in extraordinary circumstances.

Rick grew up in a Jewish neighborhood in New Jersey. As a small child, he realized that being a Christian meant he was different from his friends and different meant responsible to share with others what set him apart -- Jesus Christ. Christina grew up in Cyprus, where her paternal heritage lies. Her dad being a pastor, Christina grew up knowing the difference between Christians and non-Christians and chose to put her faith in Jesus Christ. Rick and Christina's backgrounds are as diverse as they come, but their mission-minded hearts and love for the Lord is what brought them together.

Rick and Christina met as freshmen at Fort Wayne Bible College and over the course of their college years, they studied, dated, married and graduated. A year after graduation, they had a son, Gregory.

After graduation, Rick took a position with an import/export company in Virginia and was later relocated to Egypt. They began life as any family in a new environment would; they made friends, Rick with his co-workers, Rick and Christina with their neighbors. As these new friendships developed, they offered to their friends the support and encouragement of Jesus Christ. (It was through these conversations that eventually led to Rick's imprisonment and the Dugan's change of life). While it is not illegal to talk about Christ to Muslims, it is illegal for a Muslim to convert to Christianity. In Rick's case, he and some of his colleagues had seen several Muslims believe in the Lord.

On February 21, 1993, the Dugans were awakened at 5:30 a.m. by the Egyptian secret police, their home was searched and Rick was taken in for questioning. What is incredible is not what occurred on that night, or Rick's 75 days of imprisonment or Christina's uncertainty about their lives as a family; it is what occurred during those days.

*Rick, Christina & Gregory*

Rick and three of his colleagues were taken to a maximum security prison where none of their physical needs were provided. The Lord tells us in Matthew 6:25, 32 and 33: "Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more important than food, and the body more important than clothes? . . . Your heavenly Father knows that you need them. But seek first His kingdom and His righteousness, and all these things will be given to you as well."

They were also told that the majority of the prisoners would basically "eat them alive," due to their animosity toward Christians. These "ferocious" prisoners were God's instruments of provision for Rick and his friends. One by one

the prisoners visited their cell and handed them changes of clothing, bedding and food. They experienced first-hand that the Lord does "prepare a table before me in the presence of my enemies (Psalm 23:5)."

As Paul wrote to Timothy, "this is my gospel, for which I am suffering even to the point of being chained like a criminal. But God's word is not chained (II Timothy 2:8b, 9)." The prison walls were only strong enough to hold Rick inside the institution, they were not able to keep out the word and will of God. Rick was able to share the gospel with a fellow prisoner by use of his Arabic Bible. In exchange for Arabic lessons, Rick was able to teach the Muslim about the scriptures. Living out this verse: "Since you are precious and honored in My sight, and because I love you, I will give men in exchange for your life (Isaiah 43:4)." Rick was exchanging his life, as he had known it, for opportunities to give Life to others.

Rick was not exempt of human frailty. He had his fair share of disappointment and anger with God. But he learned why God allows His children to suffer and how He uses it for His glory. To attain the resurrection from the dead, we must "know Christ and the power of His resurrection and the fellowship of sharing in His sufferings (Philippians 3:10)." Without the cross, there can be no resurrection. This became Rick and Christina's verse for the ministry.

Presently the Dugans are traveling, speaking and sharing about God's faithfulness, to those who faithfully prayed for them. They want to leave you with this:

*"Don't be afraid to serve God. If we go to the ends of the earth, He won't forsake us (Matthew 28). There is no happier, no safer place than being in the will of God."*
