DR. ALBERT E. DAY NAMED THADDEUS C. READE LECTURER

Annual Pastors' Conference
Set for February 5

The third annual Thaddeus C. Reade Memorial lecture series will be held Thursday, February 5, and Friday morning, February 6, featuring Dr. Albert E. Day as guest lecturer. The theme of Dr. Day's addresses will be "God's Alphabet". The third annual Pastors' Conference will be held February 5 in connection with the Reade Lectures.

Registration for the one day conference will begin at 9:00 a.m., CST, in Shreiner Auditorium with the first lecture by Dr. Day scheduled for 9:30. "New Temples for Christ" is the subject of the opening lecture. At the second conference session scheduled for 10:40, three guest workshop leaders will be introduced, including Dr. Dale Oldham, pastor of the Park Place Church of God, Anderson, Indiana, who will present the subject "The Church and Evangelism," Dr. Clate Risley, executive secretary of the National Sunday School Association, whose topic will be "The Church and Christian Education," and Dr. James Edward Doty, Director of Pastoral Care and Counseling, Indiana Area of The Methodist Church. He will deal with the subject, "The Church and the Counseling Ministry".

(Continued from page 1)

These subjects will be discussed more fully at workshop sessions to be held at 3:30 p.m. under the leadership of the resource leaders.

Dr. E. W. Stimson, the new ultra-modern Edward Camp Dining Room, the afternoon sessions will open with a devotional period in Shreiner Auditorium, which will be furnished by the Men's Chorus.

Dr. Day's second lecture, "New Creations in Christ," will be delivered at 1:30 with a discussion period following at 2:30.

The ministers will enjoy one-half hour of relaxation and fellowship at a coffee break in the dining room at 3:00 p.m.

Workshops Scheduled

The workshop sessions are scheduled for 3:30, and free time will be provided between 4:45 and 6:00, when the conference will have opportunity to tour the new buildings, visit the museum, enjoy the public lounges of the new Men's Residence Hall, and Magee-Campbell Dormitory, or view the showing of a motion picture film which will be of interest to pastors.

Public Invited

Dinner hour will begin at 6:00 p.m. The final lecture of the conference is scheduled for 7:00, with music to be given by the A Cappella Choir, under the direction of Professor Burlison Mahafy. The title of Dr. Day's address will be "New Adventures with Christ." The public is invited to this concluding program which will be held in Maytag Gymnasium.

Founder of New Life Movement

Dr. Day, who is now Chaplain and Director of Spiritual Life at Wesley Theological Seminary, Westminster, Maryland, was founder and first director of the New Life Movement of the Methodist Church, and has been a guest lecturer at many colleges and seminaries, including the English Language Institute in Latvia, and also studied at the University of Cologne, Germany; Institute of Education, Synod of Nebraska; Chairman of the Committee on Foreign Missions, Presbytery of Omaha, and is a member of the Human Relations Committee of that city.

Last summer he was a member of the Japan, China, and Korea Mission, and he has conducted Spiritual Emphasis Weeks in many colleges and universities.

Dr. Stimson was called to the Dunbar Church in 1953, from the Know Presbyterian Church, Cincinnati, where he had served since 1940. Earlier pastorates included the First Presbyterian Churches of Sioux City, Iowa, and Galesburg, Illinois.

Dr. Stimson is a graduate of Washington University in St. Louis, and McCormick Theological Seminary, and has taken graduate study at Edinburgh, Scotland, Marburg, Germany, and American School of Oriental Research in Jerusalem.

RUSSIAN LANGUAGE ADDED TO CURRICULUM

The Russian language will be taught at Taylor starting next fall. Beginning Russian will be introduced next year, and both first and second years of the language will be offered thereafter.

The course is being added to meet the demand for better informed citizens and to provide training for those interested in various forms of government service. Dr. Julius Valberg, Assistant Professor of History, will teach the course. He has taught a six-hour course in Russian Civilization for several years.

Dr. Valberg received his M.A. and LL.D. degrees from the University of Latvia, and also studied at the University of Cologne, Germany; Institute of Education, Switzerland; Harvard University Law School, and Indiana University. Before joining the Taylor faculty he served as Attorney at Law for the United States Military Government courts for the U. S. area of control in Germany.

Dr. E. W. Stimson to Lead Spring Revival Services

The Spring Revival for 1959 is scheduled for Feb. 15 - 22 with Dr. E. W. Stimson, Pastor of the Dunbar Presbyterian Church, Omaha, Nebraska, as speaker.

Dr. Stimson also serves as Chairman of the Committee on Higher Education, Synod of Nebraska; Chairman of the Committee on Foreign Missions, Presbytery of Omaha, and is a member of the Human Relations Committee of that city.

ANNUAL SCIENCE LECTURE SERIES TO FEATURE LEADING SCIENTISTS

"Science Fair" for High School Students to Be Staged

Taylor's annual science lecture series, featuring some of America's leading scientists, will be combined this year with a Science Fair for high school students. The Fair will be held Saturday, March 7, in Maytag Gymnasium, with science lectures set for Monday and Tuesday, March 9 and 10.

Guest lecturers who will address students at classroom sessions are Dr. David Pollard, Executive Director of the Oak Ridge Institute of Nuclear Studies, Dr. Charles Shil-ling, Deputy Director of the Biology Division of the Atomic Energy Commission, Dr. Ernest J. McCormick, Professor of Psychology at Purdue University, and Dr. Bentley Glass, Geneticist from Johns Hopkins University. Dr. Pollard also will speak at the Sunday evening service on campus, March 8.

The Science Fair will feature scientific models constructed by high school students who previously exhibited them at the regional Science Fair. Other high school students interested in various fields of science will be invited to view the exhibits and ask questions. Dr. El-mer Nussbaum, scientist in Radiation Biology and head of the Taylor Physics Department, and a visiting scientist from Purdue, will inspect the various models and discuss the projects with the students.

A banquet for science and psychology students to be held Tuesday evening will conclude the lecture series. Speaker for the occasion will be Dr. McCormick. The lecture series and the Fair are promoted by the Taylor Science Club and the Pre-Med Club.

In addition, Dr. Nussbaum and the guest scientists will appear at Taylor's educational telecast, "Science Fair," for High School Students to Be Staged

Symphony Concert Scheduled

On January 10, Taylor University held its first annual Concerto concert auditions. This year, for the first time, the Taylor-Marion civic symphony is providing an opportunity to high school students in this area to perform solo compositions with orchestral accompaniment.

Auditions were open to any competent pianists, vocalists, and instrumentalists who wish to audition Concertos or other solo pieces.

The concert is to be given on March 15, and all winners will be required to attend four rehearsals prior to that date. Rehearsals are scheduled for Monday evenings from 7:30 until 9:00 CST.

MR. M. C. PATTERTON, DODGE EXECUTIVE, AWARDED LL.D. DEGREE AT DISTINGUISHED GUEST CONVOCATION

One of America's leading automotive industrialists was awarded an honorary LL.D. degree at Taylor University Wednesday, December 10.

Mr. M. C. Patterson, vice president of Chrysler Corporation and general manager of the Dodge Division delivered an address and received the degree at a Distinguished Guest Convocation held in Maytag Gymnasium.

He also was entertained at a luncheon for business executives and Taylor business administration students, which was held in the Kerwood Room of the new Food Service Center.

Mr. Patterson has been associated with the Dodge Corporation for more than 35 years. His intimate knowledge of every detail of plant operation and car manufacturing is considered unique in the industry.

Mr. Patterson is a well-known Christian business man, active in church and civic affairs in the Detroit area.

"It has been our plan to invite well-known business men to speak on our campus so that students majoring in business may have the opportunity to meet successful men and learn from them," President Evan H. Bergwall stated.

Twelve prominent business leaders visited the campus last year in this program, including J. C. Penny, and Herbert J. Taylor, past president of Rotary International.

LESHANAS ON EVANGELISTIC TOUR IN INDIA, ORIENT

Rev. and Mrs. David LeShana are currently on a 40-day tour of India and the Orient as part of a team of 30 evangelists who also are delegates to Youth For Christ International's World Congress held in Madras, India, January 4-10.

On their way to India they spent five days in the Holy Land, an opportunity they have long cherished. After their main youth rallies the delegates will separate into teams and will hold crusades in many cities in South India. Dave and Becky will conduct meetings in the Lucknow area of the United Provinces for about two weeks and then will visit mission stations in North and Central India.

Mr. LeShana was born and reared in Lebanon, the son of missionary parents. He left India in 1949 to attend Taylor. He was chosen for the India Crusade by Youth For Christ officials because of his knowledge of the Indian language and culture and his wide experience as evangelist and youth worker.

The teams also will hold meetings in Singapore, Hong Kong and Japan, and will conduct a five-day Crusade in Honolulu enroute home.

Mr. LeShana is Producer and Moderator of Taylor's weekly educational telecast "Focus", is Director of the college radio program "Chapel Meditations", and also is college pastor.

TAYLOR STUDENT ELECTED STATE PRESIDENT OF S.E.A.

Miss Marlene Wilcox, of Norwood, Ohio, was elected state president of the Indiana Student Education Association at a recent meeting in Indianapolis.

Miss Wilcox, a junior, is majoring in Elementary Education. She is a member of the Chapel Committee, and also is co-chairman of Education Week. During her sophomore year, she was a member of the Student's Critic, Trojan Players, and the Critic Teacher Banquet and a Youth Conference discussion group leader.

ODLE WILL COACH CHINESE OLYMPIC TEAM IN 1960

Don J. Odle, Athletic Director and basketball coach, has accepted an invitation from Dr. L. K. Kiang, Secretary General of the China National Amateur Athletic Federation to coach the Chinese Nationalist Government's basketball team in the 1960 Olympics to be held in Rome.

The text of Dr. Kiang's letter to Odle is as follows:

"Dear Mr. Odle:

I am pleased to inform you that out of a list of numerous names, you have been selected by the Chinese National Amateur Basketball Association as the most promising choice to coach our National Basketball Team to the XVII Olympic Games to be held in Rome in August 1960. And in this connection I am writing to inquire about your availability to honor us with your services in that capacity.

Our present plan is to begin training our Olympic team around May, 1960, which will roughly give it some three months for training. This is but our tentative decision and any suggestions or recommendations you may have will be greatly appreciated.

Trusting to hear from you soon, we hope you will give our proposal your favorable consideration.

Very sincerely yours,

Dr. L. K. Kiang
Secretary General"

Odle became popular with sports minded Orientals as well as officials of the Chinese government through "Venture for Victory" basketball tours in the Orient.

Mr. Odle was graduated from Taylor in 1942 and received his Master's degree from Indiana University. In 1954 he was named "Outstanding Young Man of the Year" by the Indiana Junior Chamber of Commerce, and was also chosen "Alumnus of the Year" by his Alma Mater.

TROJANS LEAD CONFERENCE WITH 3-0 RECORD

Holiday Tour Scores

Detroit Tech 92 Detroit 83
Taylor 96 Malone College 68
Taylor 90 Buffalo State 77
Taylor 94 Gannon College 90

The 1958-59 version of the Taylor basketball Trojans is showing signs of considerable increase in strength over last year.

The Odiemen opened their season taking third place in the Richmond Invitational Tournament, beating Concordia 74-67, losing to Anderson 84-54, and winning over Earlham 77-68 in the consolation game.

Following a dismal 58-76 loss to Goshen on their court, the Trojans began showing their potential with an 88-61 victory over Cedarville, and a rousing 96-68 home court conquest of Manchester.

The squad lost a 98-97 heartbreaker to Indiana Tech at Fort Wayne, and then conquered Indiana Central in Indianapolis, 76-67. In their most recent home contest, Taylor played their best game of the season in registering a thrilling 101-91 win over powerful Franklin.

The over-all record to-date stands at 9 wins and 4 losses, and 3-0 in Hoosier Conference play. The schedule for January-February is as follows:

January 13, Manchester T
January 17, Hanover H
January 27, Huntington H
