From the President...

I am convinced we are in the moment of greatest opportunity ever put before Christians. The staggering challenge of building God's kingdom in a burgeoning world is matched by unparalleled resources. However, people are still the indispensable ingredient to matching resources with opportunity.

That is why, at Fort Wayne Bible College, we have designed a dynamic college education that focuses on the preparation of individuals for the Lord's service in today's world. To achieve this end, all of our students take a double major — one in Bible and one in a selected area of special interest. This second major sharpens the God-given talents and abilities of the student.

Our Statement of Mission expresses our philosophy of education. Everything we do — both in and out of the classroom — is molded by these concepts. Its effect is to create a living, learning community that will help us become leaders with a servant attitude.

We welcome you to share in our vision.

Cordially,

Donald Gerig
President

We Are Here For You

Fort Wayne Bible College is your bridge to ministry. It exists to produce committed, concerned, competent servant-leaders who:

1) Evidence a commitment to the lordship of Jesus Christ;
2) Demonstrate moral integrity and Christian character;
3) Possess the necessary tools for spiritual, emotional, and physical self-nurturing;
4) Evidence a commitment to lifelong learning and personal development;
5) Understand their place and purpose in the body of Christ as it relates to their own talents, gifts, and personality traits;
6) Demonstrate skill in thinking and communicating;
7) Exhibit the relational skills, courtesies, and human graces required to interact successfully with people;
8) Demonstrate competency in biblical, general, and professional studies;
9) Evidence a personal commitment to evangelism and discipleship, with the ability to present God’s plan of salvation with clarity and understanding;
10) Manifest a commitment to personal involvement in the mission of the church, locally and worldwide;
11) Accept responsibility as citizens at the local, national, and world levels;
12) Articulate a personal worldview based on the integration of the knowledge gained from the Word of God and from the natural world.

Since changes occur in the college’s operating procedures, you should review the new statements on Fort Wayne Bible College services, policies, programs, and courses in each new issue of this catalog that is published while you are a student. Changes in operating procedures and rules generally become effective upon their publication. The information in this catalog is subject to change without notice. Federal and state governments, the FWBC Board of Governors, administration, and faculty of the College may effect such changes.

Fort Wayne Bible College admits students of any race, sex, national or ethnic origin.
ADMISSIONS/ ENROLLMENT
Admission Requirements

The Admissions Committee evaluates an applicant's file in several key areas. To be accepted as a student in good standing, the applicant must:

1) State clearly in writing his or her conversion experience and the biblical basis of faith in Jesus Christ;
2) Receive positive evaluation from references collected concerning his or her background, character, and abilities. The applicant should reveal no serious spiritual or personality disorder;
3) Possess a high school diploma or equivalency certificate;
4) Rank, if a high school graduate, in the upper three-fifths of the high school class and have the minimum equivalent of a 2.0 grade point average on a 4.0 scale;
5) Present ACT or SAT test scores that meet or exceed the fortieth (40%) percentile of scores based on the national averages for college bound seniors for the year in which the most recent test was taken;
6) Present, if a transfer student, the minimum equivalent of a 2.0 grade point average on a 4.0 scale from each college previously attended;

Transfer Students:

1) All requirements of the first-time student, with the exception that high school transcript and SAT or ACT test scores will be waived for students who have completed a bachelor's degree or higher at an accredited institution;
2) Official transcripts from all post-secondary institutions attended, except as may be waived by the Director of Enrollment.

Program Selection Policy:

Transfer students will follow the printed selection policy for the degree program of their interest. Ordinarily this means that they would only be required to complete sufficient courses and/or to demonstrate proficiency in their major field at Fort Wayne Bible College.

Part-time/Audit/Guest Students:

Students who are not planning to matriculate or study full-time or who wish to audit courses may use an abbreviated application process. Contact the Enrollment Office for procedures and restrictions.

Probation/Non-approval/Appeals

An applicant whose file is determined by the Admissions Committee to be substandard in one or more of the areas listed among the Admissions Requirements may be approved on academic probation or academic observation. Specific requirements for enrollment exist in both classifications and will be communicated in writing to the applicant when the decision of the Admissions Committee is made.

Applicants who have been denied admission to Fort Wayne Bible College, or who have been approved on academic observation or probation, may appeal the decision of the Admissions Committee. All appeals must be submitted in writing to the Director of Enrollment within 60 days of the date which appears on the applicant's letter of notification. Upon receipt of the written appeal, the Admissions Committee will review the appeal and notify the applicant of their decision within 30 days.
Enrollment Deposit

All approved applicants to Fort Wayne Bible College are required to send a $100 enrollment deposit within 30 days of their notice of acceptance. This is an advance payment toward the cost of the student’s matriculation fee at the College and guarantees access to campus housing and/or class space. This deposit is refundable until July 1 (fall admission), or until the student has received financial aid offers from all colleges to which he/she has been admitted, whichever occurs first. Students applying for admission for the spring semester of the academic year may have their enrollment deposit refunded until November 1 with all other criteria being the same.

Reenrollment of Former Students

A student who voluntarily discontinues his or her studies at the College for at least one semester must file an application for reenrollment through the Enrollment Office. For more details, contact the Director of Enrollment. A student wishing to reenroll who was dismissed from the College for academic or personal reasons must secure permission from the appropriate faculty committee before submitting his or her application.

Transfer Students

The College grants transfer credit to students who have attended other accredited institutions and have completed acceptable work at those institutions. Generally, courses completed with a grade of “C” or better and which are compatible to the student’s major at FWBC are acceptable for transfer credit. Courses which are graded under a pass/fail system are not accepted for transfer without official validation that the minimum passing grade is “C”. All students are required to complete at least thirty (30) semester hours of course work, excluding correspondence work, at FWBC in order to graduate. Included in the 30 hours is a minimum of seven (7) hours of Bible and/or theology courses as determined by the program director. Those students transferring more than twelve (12) hours of General Studies credit must complete GSD 360, Integrative Seminar, or an equivalent competency test before enrolling in PSD 497X, Ministry Seminar. The Integrative Seminar or test should be completed within one year after coming to FWBC. The competency test is arranged by the Chair of the General Studies Division. For specific information on transfer credit, contact the Registrar’s Office.

Foreign Students

Fort Wayne Bible College admits foreign students to all of its degree programs and has been approved by the United States Department of Justice since 1937 to do so. In addition to the normal admissions procedures and requirements, foreign students must submit scores of the Test of English as a Foreign Language (TOEFL) if English is not their first language. Upon approval, foreign students must place the equivalent of one year’s tuition costs in U.S. dollars in their account and show proof of the necessary resources for round trip travel to and from their home to Fort Wayne. The Director of Enrollment will, upon receipt of this information, send the student an authorized I-20 form for an F-1 student visa to enroll at Fort Wayne Bible College.
FINANCIAL AID & FEES
FINANCIAL AID INFORMATION

Purpose and Philosophy

The College recognizes the importance of a quality education at an affordable cost. The primary objective of the Financial Aid Office is to provide financial assistance as a supplement to the maximum contribution of the student and his or her family in meeting educational costs. The College recognizes that each student and family situation is unique. Therefore, each application is individually and carefully reviewed in the Financial Aid Office.

Application for Financial Aid

Everyone is eligible to apply for financial aid and all are strongly encouraged to do so. A complete application file for financial aid consists of the following:

1) A needs analysis document such as the Financial Aid Form (FAF),
2) Any other information requested by the Financial Aid Office.

A packet containing all of the necessary forms and information is available from the Financial Aid Office in late December or early January preceding the next academic school year. Completed applications received in the Financial Aid Office before March 1 for the next school year will be given priority consideration. Applications after March 1 are welcome. Financial aid is awarded on a first-come, first-served basis as long as funds remain. All personal and financial information presented to the Financial Aid Office is kept strictly confidential.

Eligibility for Financial Aid

Students who have presented their application materials to the Financial Aid Office by the priority date, March 1, will receive notification of eligibility by April 15th. At that time, eligible students will be presented an award package. The financial aid package is a combination of financial sources which may include scholarships, grants, loans, and/or employment.

Students will receive an award letter indicating these sources of aid and the amounts offered to them. They must then return their signed award letter within two weeks of receipt of letter, indicating their preference about each of the awards offered. After students have returned their completed award letters and actually enrolled in classes, the awards which have been accepted for that semester will be deposited directly to their student accounts, except for college work study monies and Perkins Loans (NDSL).

College work study monies will be paid as the student earns them. Perkins Loan funds will be issued by the Business Office to the student. Upon endorsement of the check, the monies will be applied directly to student accounts. The financial aid “package” may consist of any of the following:

Scholarships, Awards, Grants, Loans

FWBC Scholarships

The following scholarship funds have been established at Fort Wayne Bible College as endowments. Each of these scholarships has specific criteria which a student must meet in order to be considered as a candidate. These criteria include a student’s major, academic achievement, attitude, character, and academic standing. Candidates who meet the criteria may be selected by a faculty committee as recipients of these awards which range in value from $100 to $1,500 per year. The scholarships are awarded during a special convocation each fall. These scholarships are not on an application basis, and may be considered part of a financial aid package.

Academic Scholarships

Are offered by FWBC to new students who have excelled academically during high school. Factors such as class rank, high school cumulative GPA and SAT/ACT composite scores determine award amounts. Award amount is based on a percentage of tuition charges and has renewal possibilities. (Admission application deadline is June 1, 1987, for the '87-'88 school year.) Transfer scholarships are also awarded to students transferring into FWBC from accredited institutions with a “Dean’s List” cumulative GPA.

Leadership Scholarships

Are awarded to students who demonstrate leadership in church, civic, or school activities. Award amounts in 1986-87 ranged from $390 to $1,560, depending on student qualifications. Application for this scholarship must be made to the Enrollment Office by June 1, 1987, for the 1987-88 school year. Applications for these awards are available through the Enrollment Office.

Family Allowance Grants

Are given to each multiple dependent attending FWBC. Application is made to the Financial Aid Office.

Full-Time Christian Worker Grants

Are given to dependents of full-time Christian workers or to students currently engaged in full-time Christian service.

Indiana State Monetary Awards

Full-time students whose parents are Indiana residents should apply by March 1 for Indiana state monetary awards. The amount of these awards may vary depending on the student’s demonstrated need during the academic year. The awards generally range from $200 to $3,325. These awards are renewable by application for four years as long as the student continues to show financial need. These awards are applicable to full-time students only.

Federal Grants and Loans

The Pell Grant, formerly called the Basic Educational Opportunity Grant, is a program of federal grants to undergraduate students only, authorized by the Educational Amendment of 1972. Determination of eligibility to receive assistance under this program is made by the Federal Government. During the 1986-87 academic year, eligible applicants received awards ranging from $150 to $2,100. Award schedules are subject to change depending on federal appropriations. Grants are applicable to all full-time and some part-time students.

Supplemental Educational Opportunity Grants

Grants of up to $1,000 per year are available to students with exceptional financial need. These grants may be annually renewed by submitting a financial aid application.

Perkins Loans (formerly National Direct Student Loans)

Through a National Direct Student Loan, sponsored by the federal government and administered by the College, students may borrow a maximum of $4,500 during the first two years of college, with total amount of loans over four years not exceeding $9,000. The amount of an award is based on financial need. The loan is deferred and interest-free while the student is in school. Repayment of the loan must be completed within 10 years, beginning six months after the student graduates or leaves school. The current interest rate is 5 percent.
Guaranteed Student Loans
FWBC students enrolled at least half-time (6 hrs. or more) may borrow from a participating bank or other financial institution up to $2,625 for the first two years of undergraduate study, and $4,000 per year for the remainder of undergraduate study. Cumulative borrower limit is $17,250. The loan is deferred and interest-free while the student is in school. Six months after graduation or leaving school, repayment of the principle begins with an interest rate of 7 percent to 9 percent. Payment must be completed within 10 years. Additional information can be obtained from the Financial Aid Office.

Supplemental Loans for Students (SLS) (Independent Students Only)
These loans are available through most banks and other lending institutions. Depending upon the availability of funds, independent undergraduate students enrolled for at least six credit hours per term may borrow under this program. Students may borrow up to $4,000 per year. The total amount an independent student may borrow is $20,000.

Although eligibility for this loan is not based on financial need, the amount borrowed during the academic year may not exceed the difference between the student’s expense budget and other financial aid received, including guaranteed student loans.

Currently this loan bears a 12 percent interest rate which starts compounding on the date the loan is dispersed. Repayment of the loan also begins on the date the loan is dispersed, with first payment due within 60 days of the loan’s dispersement. Maximum repayment period for loans borrowed under this program is 10 years. Additional information and applications are available at most banks and other lending institutions.

Parents Loans for Undergraduate Students (Plus Loans)
These loans are available through most banks and other lending institutions. Depending upon the availability of funds, parents of the dependent student may borrow up to $4,000 per year per dependent student enrolled for at least six credit hours per term.

The total amount a parent may borrow for a dependent student is $20,000. Although eligibility for this loan is not based on financial need, the amount borrowed during the academic year for a student may not exceed the difference between the student’s expense budget and other financial aid including guaranteed student loans.

Currently this loan bears a 12 percent interest rate which starts compounding on the date on which this loan is dispersed. Information regarding repayment of this loan is available from the lender. Additional information and applications are available from banks and other lending institutions.

Employment Opportunities
Fort Wayne Bible College recognizes that income from part-time jobs is essential for many students. All students wishing to work
for the College must first apply for financial aid through the Financial Aid Office to secure college work/study authorization. Fort Wayne Bible College receives grant support to subsidize a federally sponsored work/study program for students. Work/study employment is based on financial need. This program supplies funds for employment on campus. Students may work up to 15 hours a week when school is in session. Total earnings may not exceed the amount to meet educational expenses.

Maintaining Eligibility
For Financial Aid

A student who receives financial aid is responsible for the following:

1) To use financial aid awarded for expenses related to attendance at Fort Wayne Bible College;

2) To inform the Financial Aid Office of any financial aid awards received from sources other than Fort Wayne Bible College;

3) To provide requested verification documents promptly. A student who provides inaccurate information at any point will be considered ineligible for financial aid;

4) To read all letters and use all sources of information made available to help the student understand information contained in them. It is expected that a student knows the appropriate information whether or not he or she has read the materials;

5) To maintain satisfactory academic progress in the student’s chosen course of study at Fort Wayne Bible College.

Failure to meet these responsibilities may disqualify the student from eligibility for financial aid.

Satisfactory Academic Progress

Every student receiving financial aid must be making satisfactory academic progress toward a degree or certificate. A student is considered to be making satisfactory academic progress when he or she is meeting minimum qualitative and quantitative standards and is maintaining a good academic standing (or if he or she has been placed on “Financial Aid Probation” by the Financial Aid Committee and/or the Financial Aid Administrator).

For a student completing a total of one to 27 credit hours, good academic standing is defined as maintaining a minimum cumulative grade point average of 1.75. For a student completing a total of 28 credit hours or more, good academic standing is defined as maintaining a minimum cumulative grade point average of 2.0.

A major area of study is declared by the student upon the completion of 36 credit hours of study.

The percentage of credit hours being completed toward a degree is based on enrollment status and degree objectives; [i.e., a student enrolled in a 128 hour bachelor degree program must complete 1/12 or 10.67 (11) hours of academic work each semester. The same student enrolled with half time status must complete 1/24 or 5.34 (6) hours of academic work each semester. Incomplete courses, course withdrawals, course audits, and courses failed will not count toward hours completed.

A student’s academic record will be reviewed following each semester to determine if satisfactory progress has been achieved. A student who fails to meet minimum qualitative and quantitative standards toward satisfactory academic progress will be placed on financial aid probation. During this time of probation, the student’s eligibility for aid will continue and the student will be expected to meet the minimum standards of satisfactory progress.

A student on financial aid probation who fails to meet the minimum standard of satisfactory academic progress will have his or her academic record reviewed by the Financial Aid Committee. The Financial Aid Committee will then: 1) continue financial aid probation for one semester if the student has made reasonable progress toward the minimum standards, or 2) suspend the student’s financial aid eligibility.
A student whose aid eligibility has been suspended could attain the minimum level of satisfactory academic progress by attending post sessions, attending the subsequent semester, or by completing correspondence courses. No financial aid will be available to this student during these enrollment periods and enrollment, as at least a half-time student, during a regular semester will be considered toward the maximum time framework of aid eligibility.

A student whose aid eligibility has been suspended automatically in the subsequent semester upon meeting the minimum standards for satisfactory progress. For more details on maximum time framework, satisfactory academic progress, and appeal procedures for aid eligibility suspension, contact the Financial Aid Office.

Two other important points: 1) One must reapply for aid every year as it is not automatically renewable, and 2) preference for financial aid is given to students who enroll on a full-time basis of at least 12 credit hours each semester.

FEES

The following fees are for the 1987-1988 school year. Current fees are available from the Director of Business Affairs. The College reserves the right to change any of the following charges without notice. The approximate cost for one semester is itemized below:

The college also charges incidental fees for private music/speech lessons, independent study, tutoring, etcetera. Please contact the Director of Business Affairs for a list of incidental fee charges.

Payment of Fees

Fort Wayne Bible College has several payment options available to fit a variety of student and family needs.

Prepayment. Any amounts deposited by July 15 for the fall semester (November 15 for the spring semester) will result in 2 percent of the deposit being credited to the student’s account as a discount.

Payment at Registration. Ideally, students should pay for their semester’s charges on Registration Day.

Installment Payments. For students who cannot pay for their entire semester’s charges at Registration, FWBC offers a variety of installment payment options. Please contact
the Director of Business Affairs for a
description of the option(s) that is most
applicable to your situation.

**Free Audits and Reduced Rates**

Alumni and individuals 55 years or older
are eligible for a reduced tuition rate for credit
courses and free tuition for audited courses.
For specific eligibility criteria and details
contact the Registrar.

**Correspondence Course Fees**

Tuition for correspondence courses is $40
per semester hour. All necessary textbooks are
available for rent or purchase through the
department.

**Enrollment Deposit**

All approved applicants to Fort Wayne
Bible College are required to send a $100
enrollment deposit within 30 days of their
notice of acceptance. This is an advance
payment toward the cost of the student’s
matriculation fee at the college and guarantees
access to campus housing and/or class space.
This deposit is refundable until July 1 or until
the student has received financial aid offers
from all colleges to which he/she has been
admitted, whichever occurs first. Students
applying for admission for the spring semester
of the academic year may have their enroll-
ment deposit refunded until November 1 with
all other criteria being the same.

Returning students are required to make an
enrollment deposit of $50 by July 1. It is not
refundable after August 1. This deposit insures
the returning student of the room choice he
has made.

**Financial Adjustments**

The College reserves the right to change
board, room, and tuition fees without notice.
In case of withdrawal, refunds are made on the
following basis:

- General service fee and Room fees .......... No refund
- Board .................. 90% of unused portion
  (full weeks only)
- Tuition ................. withdrawal from school or
dropping individual class
  - By the end of the week of registration .......... 100%
  - By the end of first full week of classes ......... 90%
  - By the end of second full week of classes ...... 80%
  - By the end of third full week of classes ....... 60%
  - By the end of fourth full week of classes ..... 40%
  - By the end of fifth full week of classes ....... 20%
  - After fifth full week of classes ................ None

Any student who graduates or leaves the
college must have his bill paid in full. No
transcripts will be issued or diplomas given
until the bill is paid.
COLLEGE SERVICES

Food Service

A food service agent is under contract to provide meals for the College community. Complete information regarding this service may be obtained by consulting the BC Food Service Pamphlet.

Questions, suggestions, and comments regarding this service may be addressed to the Director of Food Services, the Food Committee, the Director of Business Affairs, or Student Development Office.

The College offers two meal plans. Meal Plan #1 entitles the student to 19 meals a week. Meal Plan #2 entitles the student to any 14 meals a week. Additional meals may be purchased at regular cafeteria prices. No Sunday evening meal is served.

The dining room radio and stereo are to provide relaxing background music. Students are allowed to use this equipment only with the permission of the Director of Food Services.

Bookstore

Bethel Publishing is under contract to provide textbooks, school supplies, and other items needed for campus life. The bookstore is located approximately two blocks from the College at the corner of South Wayne Street and West Foster Parkway.

Postal Service

The College provides all students with a post office box in the lower level of Witmer Hall. Questions regarding this service are to be directed to the Mail Room Supervisor in the lower level.

Approval for all campus mailbox inserts is to be secured from Student Development before arranging with the Mail Room Supervisor for distribution.

The College Postal Service will forward only first class mail. Students are responsible for sending change of address notices to magazine publishers. Unclaimed magazines will be disposed of by the Mail Room Supervisor.

Student Health Services

FWBC offers health services for all registered students who have a Health Record Form on file with the College. Registered nurses are available on campus to relate to student health. Hours are posted at the Student Health Center.

Resident students carrying eight or more hours are required to have physical examinations prior to coming to FWBC. The records must be completed on the College’s Entrance Health Record Form and on file with the Student Development Office.

Insurance

All students enrolled for eight or more hours are required to participate in the student insurance program unless evidence of comparable insurance is furnished. Information on student insurance is available through the Student Development Office.
STUDENT SERVICES

Personal Development

Opportunities for the development of one’s personality, knowledge, and critical thinking skills are available at FWBC. Students are assisted and encouraged to grow physically, mentally, emotionally, socially, and spiritually. Available assistance typically includes seminars, personal counseling, and temperament test interpretation.

During the sophomore and junior years, character development evaluations are conducted by Student Development and confidentially shared with each student.

Church Service and Chapel Involvement

All students taking eight or more credit hours are to follow the attendance procedures listed below:

Church Service

Sunday School is an important time in the church and students are encouraged to participate in this program.

Students are to attend the Worship Service and the Care Group or Body Life (Sunday evening or weeknight) services at the church of their choice.

Chapel

Attendance is required for all chapel and Spiritual Emphasis services.

Chapel: Monday through Friday (10:00 - 10:35 a.m.), Fall and Spring Semester Spiritual Emphasis Days and Spiritual Emphasis Morning service once a month arranged for each fall and spring.

 Discipline

Disciplinary action is viewed as a means of guiding students toward Christian responsibility and maturity. Details on procedures and appeals are found in the student policy manual available in the Student Development Office and at the Library desk. Such action is not normally necessary for the majority of students.

Vacation Periods

Four vacation periods are scheduled by the College during the school year: Fall, Thanksgiving, Christmas (semester break), and Spring Breaks. Room and board charges include Fall and Thanksgiving Break. No meals are served Thanksgiving Day. Students who find it necessary to remain in town must procure off-campus housing between first and second semester and during Spring Break. Exceptions are handled by Student Development on an individual basis with a written application. The room charge is $15.00 per night.

Restricted Items

Incense, firecrackers, and candles are prohibited in College housing due to insurance restrictions and fire prevention. Unlit candles may be used for decorative purposes. The use
of electrical appliances is limited because of sanitation, safety, and circuit overload. Hot plates, and sun lamps are not permitted. Only one small refrigerator is permitted per room. Televisions sets are only permitted in upperclassmen residence hall rooms. Other restrictions regarding televisions may apply. One set is permitted per room. A fee is charged for the use of refrigerators and televisions. Other than aquatic species, pets are not allowed.

Cooking is not permitted in the residence hall. Irons, popcorn poppers, and hot pots are to be used only in laundry rooms and designated areas.

Residence Halls

The residence halls are more than a place for students to sleep and study. Residence halls at FWBC are a place for students to develop in all areas of their lives. Students living on campus experience an exciting, challenging, and supportive environment. A staff of Residence Hall Directors and Resident Advisors aids in creating an environment in our living units which is conducive to personal growth.

Housing For Single Students

All single students enrolled for eight hours or more, who are under the age of 22 and not living with immediate family members, are required to live in the residence halls. Exceptions are made by the Student Development Office on an individual basis with written application.

Housing For Married Students

Applications for on-campus apartments may be made through the Director of Personnel. Since there is a limited number of these apartments, the College also maintains a list of available off-campus apartments in the Business Affairs Office.

Vehicle Registration

All motor vehicles owned or operated by students must be registered at the beginning of each semester. This includes cars which are parked on nearby streets as well as cars which are only rarely driven to campus. The act of registering as a Fort Wayne Bible College student obligates the student to abide by College policies while on or in the neighborhood of the campus. Registration stickers, secured from the Director of Personnel, are to be displayed on the right side of the rear bumper.

Due to limited space, all freshmen, sophomores, students on academic probation, and off-campus students are to park either behind the Library or Witmer Hall.

Marriage

Students may marry during the semester with permission from Student Development.

Student Records

Information for each student is maintained in the following offices:

- Academic: Registrar's Office
- Finances: Business Office
- Christian Service: Christian Service Office
- Personal and Cocurricular: Student Development Office

The College follows federal regulations concerning the availability and security of these records. Students wishing to see their material may make their request at the appropriate office. Confidential material contained in these records is not released without the student’s consent.
Registration

Students register for each semester and summer post sessions on the dates specified in the academic calendar of the college catalog. Typically, each Post Session consists of nine consecutive weekdays of class sessions. A student is permitted to register for one course during each session. Students may contact the Registrar's Office for information on courses offered and registration details.

Late Registration

Only in exceptional cases will permission for late registration be given. No student may be enrolled after the completion of the first full week of classes. A late registration fee will be assessed.

Class Attendance

Regular class attendance is expected. Each professor will determine his/her own policy for class cuts and absences and will clearly state this policy in each course syllabus. All students are responsible to comply with the policies as stated in the syllabus for each course in which they are enrolled. See the student handbook for more information.

Student Load

In general, an average of 16 hours per semester is necessary in order to complete a bachelor's degree in four years. Special permission to be enrolled in excess of 17 hours may be granted to students of superior ability by the Registrar. For the first year, a maximum load is 17 hours. The minimum number of hours to be considered a full-time student is 12 hours. While audit and correspondence courses will be considered in determining the maximum course load for a student, they will not be counted in determining full-time enrollment.

Students on academic probation are advised to carry a reduced number of credit hours.

Auditing

Students wishing to take a course without college credit, and without the responsibilities of normally required assignments, may do so as an auditor. No permanent record is maintained in the Registrar's Office and no transcripts are issued.

Students wishing to take for credit a course which they began as an auditor must change their status at the Registrar's Office within the first week of the semester.

Continuing Education

The Department of Continuing Education provides students with the opportunity to earn college credit through evening courses and correspondence courses. Credits earned in this manner may be applied toward degree programs.

The department also offers several non-credit opportunities for those who want to study a book of the Bible, learn a ministry skill, or examine a topic from the Christian viewpoint. Evening classes, weekend seminars, and special workshops are to help the non-credit student accomplish his goals.

Continuing Education Units (CEUs) are awarded for participation in those non-credit classes or seminars offered by the college. Additionally, CEUs are available for students who audit college classes. The CEU is offered as an acknowledgement for participation, and is given as a means of certifying the student's efforts to continue their education.

For more information, contact the Department of Continuing Education.

Correspondence Studies

Any student enrolled at the College may also take courses through the Department of
Correspondence Studies. A maximum of 32 credit hours may be earned by a student toward a bachelor's degree (10 hours toward an A.A. degree) if approved by the program counselor and the Registrar. (Restrictions on courses that can be taken by Correspondence are found on page 82.) Correspondence work, however, does not apply toward the minimum thirty hours of resident work required for graduation.

For further details and policies on the correspondence studies program see page 82 of this catalog.

Course Change and Withdrawal

All schedule changes must be made through the Registrar's Office. No schedule change is complete until the drop/add form has been signed by the teacher and returned to the Registrar's Office by the student. A course may not be added to a student’s schedule any later than the first full week of the new semester. Courses dropped during the first two full weeks of the semester will not be recorded on the student’s transcript. Beginning the third week through the tenth week, all courses dropped will be recorded “W” (Withdraw). After the tenth week, changes must be approved by the Registrar. Any course dropped during this period of time will be recorded either “WP” (Withdrawn Passing, no penalty) or “WF” (Withdrawn Failing, with grade penalty). Any course dropped within the last two weeks of the semester is recorded with an “F” grade.

Post Session Withdrawal

A course dropped during the first five days of Post Session will be recorded as a “W” on the student's academic transcript. A course dropped days six through eight will be recorded either “WP” (Withdrawn Passing, no penalty) or “WF” (Withdrawn Failing, with grade penalty). A course dropped the ninth day will be recorded as “F”. There will be no refund of tuition and fees after the second class period meets.

Veteran’s Benefits

Because we are an approved college for the training of veterans, war orphans and children of totally disabled veterans are eligible to receive educational benefits. Students eligible for these benefits should apply to the Veteran's Administration for a Certificate of Eligibility and Training prior to enrolling at FWBC. At the time of registration, notify the Registrar's Office in order that proper certification of enrollment may be made to the Veteran's Administration.

Official Transcripts

The Registrar keeps on file the permanent record of all credits earned by each student. Official transcripts of a student’s academic record will be released upon request, providing the student has been properly cleared from the College. A fee of $2.00, payable in advance, is charged for each transcript.

Withdrawal from College

The College regards the registration of a student as a contractual agreement. For this reason, special procedures need to be followed in the event that a student withdraws from FWBC. Any student considering withdrawal after the beginning of classes initiates the process by requesting a Withdrawal Clearance form from the Student Development Department. Withdrawal is not official or final until this process is completed.

Overseas Service

Students participating in an approved program of short-term missionary service under a recognized missionary agency may earn college credit in missions. For additional details, write to the World Mission Program Director.

Foreign Student Program

Since the College is a member of the Associated Schools of the American Institute of Holy Land Studies, students who participate in the program of the Institute in Israel will be given academic credit for such amount as may be approved by the faculty. Both graduates and qualified seniors may be admitted to the program of the Institute.
Catalog

Students must meet the degree requirements of the college catalog in effect when they enrolled as long as the degree is earned within a maximum of seven years. If the degree is not earned within this period of time, the student will be required to meet current catalog degree requirements. Exceptions must have the approval of the program director and the Registrar.

Repeating a Course

In the event that a course which is required in a degree program is failed, the student must repeat the course. A student may repeat a “D” grade with the approval of his or her program counselor and the Registrar. Whenever a course is repeated on a credit basis, the last grade and credits earned completely replace the previous grade in computing grade point averages. However, all entries remain a part of the student’s permanent academic record.

Incomplete Work

Permission for extension of time beyond the end of the semester for incomplete work is granted by the Academic Affairs Committee only in cases of illness or emergency. Written requests should be submitted to the Registrar before the end of the semester in which the student experienced extenuating circumstances. At the end of the extended time, grades are computed from the completed work.

Course Cancellations

The College reserves the right to cancel any course in which fewer than ten students are registered and to make any schedule alterations deemed necessary.

The grade point average is determined by dividing the total number of grade points earned by the number of hours taken.

Grade Point Average

To be eligible to continue as a student in good standing, freshmen (who have completed less than 28 hours of credit) must maintain a minimum GPA of 1.75. All other students must maintain a minimum GPA of 2.00.

Students whose GPA falls below the minimum stated will be placed on academic probation. Students on probation may be suspended or dismissed after one semester from the time placed on probation if they do not make substantial improvement. All decisions and appeals are the responsibility of the Academic Affairs Committee.

Six Week Grades

Upon completion of the first six weeks of each semester, grades lower than “C” are reported to the Registrar’s Office. While these grades are not recorded on the students’ academic records, they are communicated to students in order to alert them to courses in which they have low grades.
Grade Reports

Grades will be reported to students at the end of each grading period. Students may request, through the Registrar’s Office, that copies of their grades be sent to their parents or guardians. Parents or guardians may also receive grade reports if they certify that the student is carried as a dependent on the parent’s federal income tax report.

Grade Changes

A student who believes that an error has been made in the assignment of a grade must initiate contact with the faculty member involved no later than 60 days after the beginning of the next full semester following the term in which the error was made. Failure to act within the 60 day time period will disqualify the student from further consideration of the matter. If the faculty member agrees that a grade change is warranted, he/she is to send written notification to the Registrar’s Office.

Academic Probation

Students whose GPA falls below the minimum stated will be placed on academic probation. Students on probation may be suspended or dismissed after one semester from the time placed on probation if they do not make substantial improvement. All decisions and appeals are the responsibility of the Academic Affairs Committee.

Honors

At the close of each semester, the Registrar’s Office publishes a Dean’s List of all students who were enrolled for at least 12 hours and who achieved a grade point average of 3.35 or higher for the semester just ended. These students may be nominated for inclusion in the National Dean’s List.

Graduating seniors are awarded scholastic honors based upon the cumulative grade point average through the first semester of the senior year. To be eligible for these honors, students must have completed at least 60 hours toward their bachelor’s degree at Fort Wayne Bible College. All courses, whether transferred from another college or taken on at FWBC, which lead toward the completion of a degree will be used in computing the GPA. Honors will be given according to the following minimum grade point averages: “cum laude” for 3.35, “magna cum laude” for 3.65, “summa cum laude” for 3.85.

A limited number of seniors may be elected by the faculty: 1) to Delta Epsilon Chi, the honor society sponsored by the American Association of Bible Colleges, 2) for listing in Who’s Who Among Students in American Universities and Colleges.

Advanced Placement

Fort Wayne Bible College allows advanced placement credit for selected advanced high school courses, College Board Advanced Placement examinations, and College Level Examination Program tests. For further information regarding these programs, contact the Registrar’s Office.

Course Numbering

Course numbers describe the semesters and years in which students normally enroll in courses and the ways courses fit into the college curriculum.

Course Letters

Normally a course is identified by a three letter prefix. The first two letters identify the academic discipline. The third letter may designate a focus within the discipline. See the Course Prefix Key included within each division and program description.

Course Numbers

A course has three numbers following the prefix:
1st - level of difficulty
2nd - separation of courses within a discipline
3rd - semester of an eight semester sequence in which the course normally is taken

Some courses have a fourth identifying letter:
X - following 3rd number: course offered either semester
C - following 3rd letter: course offered by correspondence
L - following 3rd number: lab course
A, B, or C - following the 3rd number: one section of a sectioned course

### General Requirements

#### For Graduation

**Graduation Dates**

Participants in May Commencement must have completed all institutional requirements.

**Exceptions:**

1. Students who must complete student teaching.
2. Students who must complete supervised field work that extends beyond the final classroom semester.
3. Students who must complete the last Post Session course in the Early Childhood Education, Associate of Arts Program.

Diplomas may be issued by the Registrar as institutional requirements are met in June, August, and December, in addition to the traditional May Commencement.

Correspondence requirements must be met according to existing schedules.

### Bachelor Degrees

Students in 4 to 5 year bachelor degree programs rank as seniors at the beginning of the academic year in which they plan to graduate.

All seniors are required to make formal application for graduation during fall registration of their final year. Although the Registrar and program counselors are available to advise students with their academic programs, the responsibility of fulfilling all requirements for graduation is wholly that of the students.

To qualify for graduation, a senior must:

1. Complete at least 30 hours, including the final 12, of course work at Fort Wayne Bible College (correspondence courses from FWBC do not apply toward this requirement);
2. Maintain a cumulative grade point average of at least 2.00 during the final
year. If it drops below 2.00 at the end of the first semester, the student will not be recommended for graduation;

*3) Pass the comprehensive examination in Bible during the senior year;

*4) Successfully complete the English Proficiency Examination;

5) Meet the oral communication competency requirements of a “C” grade in SPE 121X, or have satisfactory completion of a competency exam;

6) Fulfill all program requirements within seven years of enrollment under a given catalog;

7) Maintain satisfactory character evaluation;

8) Fulfill all Christian Service requirements and earn a cumulative Christian Service evaluation of at least 2.00;

9) Either pay all accounts in full or make proper arrangements with the Director of Business Affairs for deferred payments; and

10) All May graduates are to participate in commencement exercises unless excused by the President.

* The deadline for these exams to be completed is April 6 for May, June or August graduates and December 6 for fall semester graduates.

**Associate of Arts Degrees**

Students in the two year associate degree programs rank as sophomores at the beginning of the year in which they plan to graduate. The comprehensive examination in Bible and the English Proficiency Examination are waived for students in this program. Students are required to make formal application for graduation during the fall registration of their final year.

To qualify for graduation, a student must:

1) Complete at least 30 hours of course work, including the final 12, at Fort Wayne Bible College (Correspondence studies from FWBC do not apply toward this requirement);

2) Have a cumulative grade point average of at least 2.00 at the beginning of their final semester in order to qualify for graduation;

3) Fulfill all program requirements within seven years of enrollment under a given catalog;

4) Maintain satisfactory character evaluation;

5) Fulfill all Christian Service requirements and earn a cumulative Christian Service evaluation of at least 2.00;

6) Either pay all accounts in full or make proper arrangements with the Director of Business Affairs for deferred payments; and

7) All May graduates are to participate in commencement exercises unless excused by the President.

**Second Degrees**

A student may qualify for a second associate of arts degree by completing an additional 24 semester hours in class and meeting all the requirements for that degree.

A student may qualify for a second bachelor’s degree by completing a minimum of an additional 30 semester hours in class and meeting all the requirements for that degree.

**Christian Service Requirements**

Christian service is an integral part of the educational program. Weekly field experience lays the foundational base needed by graduates to serve with distinction in their chosen areas of ministry. Approximately 100 church and church-related organizations cooperate with the Christian Service Department in providing these ministry experiences.

All four-year degree programs require a Christian Service project for six of eight semester in which a student is enrolled eight hours or more, with a definite requirement in the final senior year. All associate of arts programs require a Christian service project in the final year. A cumulative grade point average of 2.00 in Christian service is required for graduation.

Definitions of Terms
Major: A minimum of 30 hours prescribed by a program.
Minor: Any grouping of 15-24 hours prescribed by a program or division outside of one's major.
Concentration: A grouping of 15 or more hours prescribed in one's major that can be noted on the transcript.
DIVISION OF BIBLICAL STUDIES
DIVISION OF BIBLICAL STUDIES

Chairperson: Wesley Gerig; Faculty within Division: Birkey, Ringenberg, Scharfe, Steele.

In addition to the professional major, a Biblical Studies Division major is required of each student. The objectives of the Biblical Studies Division are to develop students who:

1) demonstrate a foundational knowledge of the contents and unity of the Bible;
2) exhibit a knowledge of differing theological positions;
3) show evidence of forming their own theological positions;
4) evidence doctrinal balance;
5) demonstrate the use of methods and tools for effective Bible study;
6) use the biblical languages in interpreting the Bible, if they choose to acquire these skills, for effective ministry and possible graduate study;
7) understand biblical truth as the integrating factor of the college curriculum and of personal Christian living;
8) apply biblical truth to contemporary living;
9) demonstrate a reverence for and a submission to the Bible as the final authority for belief and practice; and
10) evidence skills that will enable them to carry on the study of the Bible as a lifelong pursuit.

The division offers a Minor in Biblical Languages (see page 79). Biblical Studies core courses are described on page 24.

Courses in the Biblical Studies Division which form part of the institutional requirements are listed on page 45.

Course Descriptions

Cycle A — Odd-Even Year (1987-88)
Cycle B — Even-Odd Year (1988-89)

General Biblical Courses

BIB 213 — Biblical Backgrounds. 2 hrs.
A study of background materials relevant to biblical study, with special emphasis on biblical geography.

BIB 223 — Biblical Hermeneutics. 3 hrs.
A study of the general and specific principles and methods of biblical interpretation. The course includes a careful study of the theological, historical, grammatical, and literary principles necessary for the interpretation of the Scripture. Numerous passages from both the Old and New Testaments serve as the foundational basis for the practical application of the hermeneutical principles studies.

BIB 233 — Inductive Method of Bible Study. 2 hrs.

DIVISION OF
GENERAL
STUDIES

Acting Chairperson: Jon Swanson; Faculty within Division: Barcalow, Baxter, Birkey, Conrad, C. DeMond, Everson, W. Gerig, Lewis, Platte, Quan, Ringenberg, Rupp, Saddington, Strahm, Van Dyke.

The purpose of the General Studies Division is to explore, integrate, and apply truths found within the humanities, social sciences, and natural sciences. The goal of this division is to develop students who can do the following:

1) communicate clearly and effectively in both oral and written forms;
2) think logically and analytically;
3) evidence skill in listening and reading and in making competent interpretations;
4) demonstrate intellectual honesty, integrity, and competence in the use of basic principles for library research and independent study appropriate to the various fields of investigation;
5) value the aesthetic, imaginative, and creative forms of expression and evidence discernment in the use and enjoyment of these forms;
6) examine present-day problems from an ethical and moral perspective and make value judgments guided by biblical insights;
7) possess self-knowledge, healthy self-esteem, and a desire to maintain physical well-being;
8) respect people of different cultures;
9) understand the nature and development of human civilization;
10) understand the interrelationship of general studies, biblical studies, and professional studies;
11) evidence skill in applying theory to their chosen major; and
12) form an integrated Christian worldview that can operate outside, as well as inside, their own culture.

The General Studies curriculum consists of courses which are neither specialized nor vocational in nature, but are related to those areas of life common to all human beings.

Courses in the General Studies Division which form part of the institutional requirements are listed on page 23.

DIVISION OF PROFESSIONAL STUDIES

Chairperson: Jay Platte; Faculty within division: Barcalow, Baxter, Biberstein, Collins, Everson, Gerig (J.), Gerig (W.), Gerig (Wm.), Lewis, Quan, Sovine, Steele, Swanson, Weddle.

The graduate of Fort Wayne Bible College is a “committed, concerned, competent servant-leader of Jesus Christ who can minister through His Church to the contemporary world.” This ministry requires specialized education and training which is offered through the Professional Studies Division. All students seeking a baccalaureate degree select a major from the following Professional Studies Division programs: Biblical Studies (Biblical Teaching), Christian Counseling, Christian Education (Director of Christian Education, Children’s Ministries, Youth Ministries, Adult Ministries, Camping), Christian Ministries Management, Music (Church Music, Music Education, Performance, Composition), Pastoral Ministries, Teacher Education, or World Mission.

Graduates may enter their chosen profession immediately or after further study in graduate programs.

The goal of the Professional Studies Division is to develop students who:

1) gain knowledge and understanding of the theory and methodology of their chosen disciplines;

2) build upon foundational knowledge from biblical and general studies;

3) recognize the interrelationship of their various disciplines within the Professional Studies Division to the biblical and general studies;

4) investigate and evaluate their disciplines in the curricular components of philosophy, general methods, specific methods, and practice;

5) exhibit organizational, managerial, communication, diagnostic, and human relations skills;

6) demonstrate competent servant-leadership in their commitment to the local church through knowledge, skills, attitudes, and values related to their disciplines; and

7) demonstrate a capability to pursue lifelong learning.

Christian Service Requirements For Degree Programs

Every student will be involved in weekly Christian service as a requirement for graduation. The following is a description of the Christian service program.

Purpose

Christian service, a bridge between classroom instruction and practical experience, is an integral part of the total academic program. As a continuing ministry involvement, students are provided supervised opportunities for “learning by doing” in a church or approved organization.

Objectives

One of the major goals for training at Fort Wayne Bible College is “to provide graduates with that foundational preparation needed to serve with distinction in their chosen fields.” Christian service is a part of the “foundational preparation” in which students are given weekly opportunities to apply the various segments of their academic training in actual ministry situations to the glory of God. The objectives of the Christian service program are:

1) To provide Christian service opportunities for students in churches and church-related organizations to gain experience and learn skills.

2) To assist students in developing personal growth and vocational skills to be more effective in Christian service; and

3) To provide vocational information and opportunities to aid students in planning for vocational careers. For a further expansion of these objectives, see the Christian Service Manual.
Requirements For Graduation

All four-year degree programs require a Christian service unit each semester a student is enrolled eight hours or more except two semesters, and is required in the final senior year. Associate of Arts programs require Christian service in the final year. The normal pattern of Christian service proceeds from minimal preparation and responsibility in the freshman year to major preparation and responsibility in the junior and senior years. Supervision and evaluation are provided. A cumulative evaluation of 2.00 in Christian service is required for graduation.

Christian Service Descriptions

CHS 111, 112, 213, 214, 315, 316, 417, 418 — Christian Service Teacher/Bible Study Leader. 1 Christian Service Unit.

CHS 141, 142, 243, 244, 345, 346, 447, 448 — Christian Service Discipler/Visitor. 1 Christian Service unit.

Students are provided weekly opportunities for ministry participation as a discipler-leader or team member, visitor for a church, nursing home or jail.

Students are provided weekly opportunities for ministry participation as a counselor, resident advisor, tutor for refugees or for group home residents.

Students are provided weekly opportunities for ministry participation as an organist, pianist, performing group student director or member, chorale member, choir director for children, youth, or adults, song leader, or worship leader.

CHS 375, 376, 477, 478 — Christian Service Supervised Field Education. 1 Christian Service unit.

Students are provided weekly opportunities for ministry participation in conjunction with required supervised field education taken for academic credit.

CHS 109, 209, 309, 409 — Summer Christian Service. 1 Christian service unit.

Students are involved for a minimum of three weeks (120 hours) summer ministry in either a professional or semi-professional
church-related position that normally could not be secured during the school year. A daily log of experiences and a written evaluative report are submitted at the conclusion of the project. Evaluation of the student's performance is provided by the field supervisor. Two units of summer credit may be applied toward Christian service graduation requirements.

Steps to Starting and Completing Degree Programs

Every program has a stated policy regarding the steps students need to take for acceptance into and completion of their programs. A copy of this policy is available from the program director or the Enrollment Office, and will be given to each student in the program.

PROGRAM IN BIBLICAL STUDIES

Wesley Gerig, Director

**Purpose**

The accurate and dynamic teaching of the Bible is essential to the ongoing purpose God has for mankind. Effective Bible teaching must combine a comprehensive knowledge of God’s Word with a foundational knowledge of general studies and an understanding of the teaching/learning process. There is continual need for Bible teachers in the Church and in schools at all levels.

Therefore, the Biblical Studies Program, with a major in Biblical Studies and a concentration in Biblical Teaching, is designed to prepare teachers of the Bible and theology for teaching on the secondary and collegiate levels. It is recognized that, in most instances, graduate training will be necessary to meet the goal. Therefore, an additional purpose is to give the student a good foundation for graduate courses in biblical languages and theological studies.

**Objectives**

Biblical Studies students, upon completion of their program, will:

1) demonstrate a thorough knowledge of the Bible and theology, and of Koine Greek, where required;
2) demonstrate a foundational knowledge of general studies;
3) demonstrate a theoretical and practical knowledge of the teaching/learning process as evidenced by successful practical field experiences;
4) organize long- and short-range plans for meaningful learning experiences in the classroom;
5) present learning activities appropriate to the maturity level of their students;

6) communicate subject matter effectively, in both oral and written form;
7) demonstrate abilities which will enable them to pursue graduate work in the areas of biblical and theological studies; and
8) demonstrate by their lifestyles that they are living under the authority of the Bible as spiritual servant-leaders committed to the Lord, His work, and His Church.

**Bachelor of Science with a Major in Biblical Studies**

The B.S. with a major in Biblical Studies is a program designed for those anticipating a Bible teaching ministry following graduation. It is granted upon the satisfactory completion of 128 designated hours of academic credit. The distribution of courses in the program is as follows:

PROGRAM IN CHRISTIAN COUNSELING

Carl Sovine, Director

Purpose

The Christian Counseling program is designed to prepare counselors who will be employed primarily by churches and church-related organizations and to offer quality undergraduate training for students who plan to pursue graduate studies in preparation for careers as professional counselors. Graduate studies, while not mandatory, are highly encouraged for all students majoring in Christian Counseling.

Objectives

The Christian Counseling program exists to provide training in counselor education for all Fort Wayne Bible College students. The extent of this training will range from a brief exposure for many students to in-depth study given to program majors. The expected program outcomes are to produce graduates who:

1) can identify and relate applicable biblical commands and principles to life’s problems;
2) possess a foundational understanding of the theories, methods, ethics, and practices involved in the field of counseling;
3) can integrate truth from the Bible with truth from human discovery;
4) demonstrate mastery of the counseling skills required of entry-level or para-professional counselors, including interpersonal relationship skills, listening skills, and action skills; and
5) evidence personal emotional health and character qualities which are in keeping with biblical norms.

PROGRAM IN CHRISTIAN EDUCATION

Douglas Barcalow, Director

Purpose

The Christian Education program prepares Christian leaders to teach and administer the educational programs of the local church. It further trains students as educators, facilitators, creative leaders, and role models of biblical philosophy and methodology for the church and related ministries.

Objectives

Students, upon completion of the program, are able:

1) to identify, from a biblical and contemporary perspective, the purposes and ministries of Christian education in the home, the local church, and the Church worldwide;

2) to identify and enhance their gifts and capabilities relating to a professional career in Christian education and related ministries;

3) to evidence a knowledge of human development from the perspective of Christian education;

4) to demonstrate skill in planning, organizing, presenting, and evaluating a biblical and life-related lesson for various age levels;

5) to design balanced programs for various age levels;

6) to build teaching ministries upon teaching/learning experiences derived from the classroom and from a local church setting;

7) to establish a usable, organized filing system and personal Christian education library;

8) to acquire additional resources that will assist them in their lifelong pursuit of
education and teaching excellence;
9) to demonstrate knowledge of leadership capabilities;
10) to evidence a knowledge of administrative principles for use in church leadership; and
11) to develop an ongoing, mutually supportive relationship to the Christian Education program and the College.

A study and application of the principles and techniques of counseling teenagers. Both corrective and preventative thrusts will be presented. Staged counseling situations are provided. The class is limited to fifteen students (Open only to juniors and seniors; Cycle B).

CEF 447 — Practice Teaching. 2 hrs.
A practicum in teaching designed to give the student classroom and out-of-class experience in teaching and evaluation. This is based upon Scripture and CE principles and methods. Special attention is given to the area of teacher training (Prerequisite: all CE 100-300 required courses, except with permission).

CEF 457 — Organization and Administration. 3 hrs.
A culminating course structured to provide an overview of the organization, administration, and supervision of the total church program of Christian Education. A study of the roles of both professional and lay leadership in the local church (Prerequisite: all CE 100-300 required courses).

CEF 460 — Christian Education Field Study. 2-8 hrs.
A study program in which the student works in a full-time ministry under the guidance of a professional. The student will be exposed to implications of occupational ministry, develop practical skills, and gain deeper self-understanding. To be structured under the direct guidance of the program director. Those going into Christian education professionally are encouraged to take this course (Prerequisite: must have completed 60 hours).

CEF 479 — Camp Administration Field Study. 3 hrs.
An advanced practicum in administrative camp activity during the summer in an approved situation under the supervision of competent camp leadership (Prerequisite: all camping courses).
PROGRAM IN CHRISTIAN MINISTRIES MANAGEMENT

Raymond Quan, Director

Purpose

The goal of the Christian Ministries Management program is to prepare and equip Christians who will serve in managerial, financial, administrative, and secretarial positions in churches and church-related organizations. Service should be consistent with generally accepted business concepts and practices.

Unlike other non-profit firms, the Christ-centered organization exists to fulfill the Great Commission given by Jesus Christ (John 20:21, Acts 1:9). The Christian Ministries Management program focuses specifically on how an organization can function and perform at its maximum by applying business and management concepts and skills guided by biblical principles and ethics.

All organizations may be viewed as business regardless of their mission and goals. Christian organizations must operate with other organizations which may not share their Christian views. Therefore, the curriculum of Christian Ministries Management must include a broader context of business to enable the student to interface with non-Christian firms.

Objectives

The Christian Ministries Management program prepares people to:

1) define the basic concepts, objectives, and terms of business in such areas as economics, finance, management, law, information systems, and secretarial science;

2) demonstrate these business and management skills by field education experiences supervised by the Christian Ministries Management program director;

3) integrate Christian principles in every aspect of their career as they serve in a Christian organization;

4) identify changes in the external business environment and adjust accordingly;

5) list characteristics unique to Christian organizations nationally and internationally in order to model their future careers with realistic expectations;

6) pursue graduate studies, in accordance with the Lord's will and their own personal goals and abilities as related to Christian Ministries Management.

PROGRAM IN MUSIC

Jay Platte, Director

Purpose

The curricular programs in music at Fort Wayne Bible College expose all students to aesthetic musical expression, train students whose chosen vocations will utilize musical skills, and prepare musicians who are committed to Christ to minister through music in the church and church-related agencies, the school, and the community. Such preparation begins with a foundational understanding of the mandates of Scripture (Genesis 1, Psalm 149, Colossians 3:16 & 17, Philippians 4:8).

Objectives

All students will identify the unique and enriching role of aesthetic musical expression, whether they are enrolled in degree or continuing education programs; involve themselves in meaningful musical experiences; state the biblical basis of music; and know the importance of music as an expression of worship and as a ministry which can help build up the Church.

All graduates using music in their intended vocations will exhibit knowledge, skills, attitudes, and values which will enable them to successfully function musically in the role they have identified.

All graduates with a major or minor in music will have developed competencies in musical performance, analysis, composition, and repertory. These competencies will further knowledge, skills, attitudes, and values so as to enable the graduates to be servant-leaders in the church, school, home, and community by administering, by performing, and/or by teaching.

General Information

There are two degree programs in music. As the standard degree program, students in the Bachelor of Science may choose an area of
concentration from the following: church music; music education; composition; and performance in voice, piano, organ, conducting, orchestral and other instruments. “An Orientation Guide for Music at Fort Wayne Bible College” gives further detail regarding information in this catalog, and is available from the Music Office. It is the responsibility of majors or minors in this program to be familiar with the contents of the Guide. Normally all students will begin in the Bachelor of Science program.

**Bachelor of Science with a Major in Music**

As the standard degree program in music, the Bachelor of Science prepares the graduate for ministries in the church, school, and community, depending upon the concentration taken. All concentrations have the following minimal hour distribution:

| Biblical Studies | 30 hrs. |

General Studies | 42 hrs. |
Professional Studies | 50 hrs. |
Free Electives | 6 hrs.* |

Total 128 hrs.

*Directed in the Music Education concentrations

- MUA 151 or 2 (thru 457 or 8) — Major Woodwind Instrument.
- MUA 161 or 2 (thru 467 or 8) — Major Brass Instrument.
- MUA 171 or 2 (thru 477 or 8) — Major Percussion Instrument.
PROGRAM IN PASTORAL MINISTRIES

David Biberstein, Director

Purpose

The program in Pastoral Ministries exists for the purposes of: (1) introducing pastoral distinctives to all students, (2) producing supplemental courses for students of other professional programs, and (3) training and equipping those men and women who have been sovereignly called and have been given spiritual gifts for senior or associate pastoral ministry in either the Missionary Church or in other denominations and fellowships.

The office of pastor is part of the legacy left to the Church by Jesus Christ. Specifically, He laid the foundation for this position by saying, “I am the Good Shepherd,” and later challenged Peter to “feed my sheep.” Paul then developed the office more definitively by introducing terms like elder, bishop, and overseer to indicate the identity of the primary leader of the local church (1 Timothy 3; Titus 1:5-9; and Acts 20:17-28). Paul shares in Ephesians 4:11 that the Pastor-Teacher has been uniquely called of God to fulfill the “shepherding” task within the Church.

A clarification of the pastoral task is set forth by the following shepherding elements: (1) feeding — proclamation that leads to edification, (2) caring — visitation that leads to encouragement, (3) nurturing — proclamation that leads to problem-solving in crisis situations, (4) managing — administration that leads to positive direction.

Objectives

The objectives of this program are to prepare students who can:

1) identify and solidify a sense of call to the pastorate;

2) demonstrate a servant-leader attitude and a pastor’s heart in relationships with
parishioners, colleagues, and local church leaders;
3) think analytically and creatively in relation to pastoral issues, duties, and procedures;
4) integrate the role and functions of the pastor with the concepts, principles, and values learned in biblical and general studies;
5) preach and teach the Bible effectively in oral and written form;
6) reflect competency in handling the basic organizational, clerical, and managerial responsibilities of the pastorate;
7) evidence rudimentary skill in analyzing crisis situations, applying biblical counseling principles, and utilizing counseling techniques; and
8) demonstrate competency in interpersonal relationship skills and in dealing with the varied visitation situations of the pastorate.

PROGRAM IN TEACHER EDUCATION

Alice Joy Weddle, Director

Purpose

The Teacher Education program prepares graduates who are qualified to teach in Christian, public, and missionary children’s schools. It is distinctive in its focus on the development of teachers who can address the moral and spiritual needs of learners as well as their intellectual, social, and physical needs. The profession of teaching is considered a Christian ministry which demands whole-hearted commitment to the Lord, to young people, and to academic excellence. This implies that the prospective teacher should have a personal assurance of a divine call to enter and advance in this important profession.

Objectives

The objectives of the program are to prepare students who:

1) understand and apply the theoretical and practical knowledge of the educational process;
2) integrate the concepts, principles, and values learned in biblical and general studies with their personal and professional views;
3) think analytically and creatively in relation to issues and instructional procedures in education;
4) demonstrate a servant-leader attitude in their relationships with students, parents, colleagues, and administrators;
5) plan and organize long range strategies for meaningful learning experiences;
6) manage learning activities which are appropriate to the maturity level of the student;
7) communicate subject matter and instructional procedures effectively in oral and written form;
8) diagnose student learning difficulties and plan procedures to correct them; and
9) demonstrate competencies which show potential for continuing education.

Students who complete the baccalaureate programs and pass the state-mandated basic skills competency test qualify for a teaching certificate from the Indiana Department of Education.

Since qualifications for teaching licenses vary among states, the student is advised to refer to the certification requirements of the specific state under consideration.

The Bachelor of Music Education degree program is described in the “Program in Music” section of this catalog.

Bachelor of Science with a Major in Elementary Education

The B.S. with a major in Elementary Education is granted upon the satisfactory completion of 145 designated hours of academic credit. Persons who plan to teach in missionary children’s schools may want to become oriented to the work of world missions by taking a mission minor described in the World Mission program. Students who plan to teach in kindergarten should plan to complete the Kindergarten Endorsement which is described later in this program. This endorsement is closely coordinated with the Associate of Arts Degree in Early Childhood Education and can be applied in both areas.

Course Prefix Key

EED Elementary Education
ECE Early Childhood Education

Course Descriptions

EED 152 — Introduction to Education. 3 hrs.
Course is structured to develop awareness of the skills and attitudes which are prerequisites for effective teaching in order that the student may determine his/her own potential for teaching. The course also provides an overview of the historical development, current issues and practices, and observable trends in education. Three half-day observations of classrooms are required.

EED 203 — Arithmetic for Teachers. 3 hrs.
A study of the fundamentals of arithmetic, designed to give the prospective teacher a more thorough knowledge and mastery of underlying skills and concepts currently taught at the elementary level (Not a methods course).

EED 204 — Practicum in Teaching. 1 hr.
A concentrated off-campus exposure to teaching in the elementary school. The student acts as an observer, aide, and leader of learning activities under qualified supervision.

EED 208 — Philosophy of Education. 3 hrs.
The course is structured to apply philosophical principles to educational methodology. Several historical and contemporary systems of philosophical thought are surveyed to determine how they affect educational practice. It includes an in-depth study of a Christian view of education.

EED 262 — Recreational Supervision. 2 hrs.
Organization of recreational and free periods of play, consideration of games, and activities to meet the physical, emotional, and social needs of the pupil (For Elementary Education majors only).
EED 263 — Children’s Literature. 3 hrs.
An introduction to the rich heritage of literature for children with some emphasis on contemporary materials. Directed toward appreciation, analysis, evaluation, and employment of the many kinds of children’s books.

EED 304 — Zaner Bloser Handwriting. 1 hr.
This is a correspondence course designed for prospective teachers in manuscript and cursive handwriting. It provides an opportunity for improving personal handwriting and exposure to the latest materials for instruction in handwriting.

EED 309 — Arts and Crafts for Children. 3 hrs.
A study of the theory and methods of teaching arts and handicrafts. The student learns to work with a variety of media by completing projects suitable for children in the elementary school classroom and summer church camps.

EED 327 — Elementary School Science and Social Studies. 3 hrs.
A course in methods, curricula, and organization of materials used in elementary school science and social studies. Consideration is given to construction of units of study.

EED 348 — Educational Psychology. 3 hrs.
A study of the development of the learning process from early childhood through adolescence. Special consideration is given to classroom management and the skills needed to teach handicapped and minority students. Psychological theories are considered on the basis of biblical principles (Prerequisite: PSY 273).

EED 353 — Teaching of Language Arts. 3 hrs.
A study of the curriculum, methods, and activities employed in teaching various forms of oral and written communications skills in elementary school. The student plans and participates in many creative experiences for children.

EED 355 — Teaching of Reading. 3 hrs.
A foundational study of reading instruction in the elementary school dealing with psychology of reading and current approaches and methodology in teaching reading. Attention is given to readiness, word recognition and analysis, comprehension, and lesson planning.

EED 358 — Teaching of Elementary Mathematics. 2 hrs.
A course designed to familiarize prospective teachers with the elementary school mathematics curriculum and methods and materials of instruction. A special focus will be teacher-made materials and techniques which enhance student motivation and achievement (Prerequisite: EED 203).

EED 456 — Corrective Reading. 3 hrs.
An advanced study of the instructional procedures in reading. It includes diagnostic techniques and methods in helping children with reading problems in the classroom setting. The student is required to tutor children in reading two hours per week under supervision of the professor (Prerequisite: EED 355).

EED 470 — Field Work in Kindergarten Education. 4 hrs.
Supervised observation, participation, and student teaching in a kindergarten classroom for a period of six weeks (Prerequisites: ECE 141, ECE 234, ECE 241, and ECE 251).

EED 490 — Student Teaching. 8 hrs.
Opportunities are offered for observation, participation, and teaching in the public and private schools of Fort Wayne and surrounding areas. The student is able to explore the dimensions of the teaching profession and acquires competencies required in guiding the experiences of pupils toward desired educational goals.

ECE 141 — Introduction to Early Childhood Education. 2 hrs.
A survey of the various program approaches to early childhood education and the philosophies and goals of each. This includes an introduction to theories of child growth and development, and an overview of the curriculum considering the cognitive, social-emotional, psychomotor, and spiritual learning which is unique to the three-, four-, and five-year-old child. This course also includes a practical introduction to young children via intra-class laboratory experiences.
ECE 234 — Early Childhood Curriculum and Methods. 3 hrs.
This course is a study of basic strategies for unit, lesson, and learning center planning as it relates to the kindergarten and young child’s learning experiences in creative expression, pre-math, pre-science, and pre-reading skills. The student will also learn how to plan activities to enhance auditory and visual discrimination, motor coordination through movement education, and self-concept development (Prerequisite: ECE 141).

ECE 242 — Early Childhood Language and Learning. 2 hrs.
This course emphasizes the cognitive and language development in young children. It acquaints the student with a variety of procedures used in kindergarten, preschool, and home to enhance language development and lay a foundation for reading.

ECE 249 — Parent-Child Relationships. 2 hrs.
This course is a study of the principles and strategies involved in the education of parents for more effective parenting of young children. It includes a study of the various significant factors which promote healthy parent-child relationships, responsible discipline, positive self-image, and a respect for moral and spiritual values.

ECE 252 — Child Health and Nutrition. 2 hrs.
A study of health, safety, and nutritional needs of young children. It informs the student about health problems which may require professional attention.

ECE 444 — Organization and Operation of Preschools. 2 hrs.
A study of the factors involved in organizing and operating a child care center or a nursery school. This study is coordinated with Supervised Field Experience (ECE 464) so the student is able to apply the theory of operation to practice (Prerequisites: ECE 141, ECE 241).

ECE 464 — Supervised Field Experience. 3 hrs.
A supervised off-campus exposure to teaching and supervision in a child care center or nursery school. The student acts as an observer, aide, and leader of learning activities under qualified supervision (To be done concurrently with ECE 444).

PROGRAM IN WORLD MISSION

Gerald Steele, Director

Purpose
The purpose of the World Mission program is to provide both degree and non-degree study and experiences which equip persons for cross-cultural ministry. For World Mission majors, the program will lay the foundation for constructive ministry during the first few years of cross-cultural service, after which the individual is encouraged to build on this foundation by pursuing graduate studies in an area of specialization. For all students at the institution the program will make exposure to the world mission of the church an important part of the total educational experience. This is appropriate in light of the Great Commission (John 20:21), the heritage of the institution, its relationship with the Missionary Church, and the challenge of a world in which billions of people have not heard the gospel of Jesus Christ.

Objectives
The objectives of the B.S. and B.A. programs in World Mission are designed to produce graduates who can cope with, learn to thrive on, and demonstrate effective personal involvement in cross-cultural ministry. Such graduates will be able to:

1) explain their conviction that Jesus Christ and the Bible are relevant for people of all cultures;
2) demonstrate their belief that victory is gained in the spiritual warfare with the Kingdom of darkness by praying intelligently, consistently, and powerfully;
3) adapt positively to the linguistic and lifestyle demands of life in another culture;
4) establish and maintain good working relationships with a mission organization;
5) serve cheerfully and effectively in partnership with Christians of another culture:
6) contextualize the Biblical gospel instead of exporting American forms of evangelism and Christian life;

7) analyze and discuss issues in the field of missiology relevant to their type and place of service; and

8) recognize and meet their own need for continuing development through formal and informal educational opportunities.

Students who are not World Mission majors will realize some but not all of these outcomes, depending on their previous education and experience, their career goals, and their selection of missions classes. For all students, regardless of major, the objectives of the program are to produce servant-leaders who:

1) orient their entire lives toward encouraging others to recognize Jesus as Lord; and

2) demonstrate an informed concern about the cross-cultural dimension of the global mission of the church through continuing prayer, giving, and other forms of support.

**Bachelor of Science with a Major in World Mission**

The B.S. with a major in World Mission is offered for those who anticipate types of missionary service such as development work, medical work, or support ministries, in which Bible teaching and preaching is not a major component. It is granted upon the satisfactory completion of 128 designated hours of academic credit. The distribution of courses in this program is as follows:

**Total 40 hrs.**

Because of the great diversity of roles in missionary work, the number of elective hours in the B.S. in World Mission has been maximized to enable a student to pursue one or more of the following plans, tailored to individual needs by the program director:

1) Take a concentration of courses in another professional area such as pastoral ministries or Christian education;

2) Study at an approved foreign and/or secular university for one or two semesters and transfer credit back to FWBC with a minimum of difficulty in meeting degree requirements;

3) Earn up to 12 hours of credit in missions research and practice through one or more structured, cross-cultural experiences;

4) Transfer into the program with minimal loss of credit hours earned in other subjects prior to the experience of God’s call to prepare for missionary service;

5) Broaden his/her education in other preferable ways.

**Bachelor of Arts with a Major in World Mission**

The B.A. with a major in World Mission is offered for those students who anticipate study
in seminary and/or missionary service which involves considerable exegetical and theological skills. It is granted upon the satisfactory completion of 128 designated hours of academic credit. It has a 14-hour Greek language requirement, resulting in an additional seven hours of general studies. The distribution of courses in this program is as follows:

**One-Year Concentration in World Mission for Special Students**

There are numerous people who anticipate or have begun missionary service, and are aware of a need for missionary training, but do not fit readily into any of the existing degree programs. Educational level, experience, personal circumstances, and age may not allow some to pursue a four-year bachelor degree program, though they are not ready for graduate level training in missions. Some may want to take more missions courses than are available at the institution where they are currently developing a skill they anticipate putting to use in a missionary setting. For these types of people, the World Mission program offers a one-year concentration of courses (listed below).

There is no diploma or certificate for completion of this concentration of courses, and the special student may deviate from them at any point. The list is simply included here to provide information and guidance to a student or a mission board wanting to know what is possible to study within a two-semester timeframe. A one-year concentration is decidedly inferior to a four-year major, but at the same time it is decidedly superior to no missions training at all.

**Total 15 hrs.**
A number of possible options are presented to the student wishing to combine missions training at Fort Wayne Bible College with medical training at another institution.

1) A four-year B.S.N. at another institution followed by a one-year concentration of missions studies at FWBC or a one-year concentration preceding medical studies (see heading, "One-Year Concentration in World Mission for Special Students"). This does not lead to any degree or diploma from FWBC.

2) A three-year nurses' training program leading to a diploma and an R.N., followed by 2 to 2½ years at FWBC leading to a B.S. in World Mission.

3) A two-year associate degree in nursing followed by 2 to 2½ years at FWBC leading to a B.S. in World Mission.

4) A one-year nurses' training program leading to an L.P.N. followed by three years at FWBC leading to a B.S. in World Mission.

Some of the FWBC courses may be taken concurrently with or prior to nurses' education, and other variations of the program may be possible depending on the type of medical work anticipated and the extent of medical training received. Applicants may send their transcripts for evaluation and discuss options with the program director.
at contextualizing the gospel, and the most urgent missionary needs.

MIS 316 — Theology and History of Missions. 3 hrs.
A study of biblical and historical perspectives on the relationship between the purpose of the people of God and the purpose of human life.

MIS 355 — World Religions. 3 hrs. (Cycle A).
A comparison of philosophies and practices of the major religious systems of the world. Attention to the relationship of Christianity to those religions.

MIS 365 — Non-Western Theologies. 2 hrs. (Cycle A).
An examination of the biblical foundations and the cultural settings of selected non-Western Christian theologies in evangelical, ecumenical, and other traditions excluding Roman Catholic theology and liberation theology.

MIS 375 — Roman Catholicism. 2 hrs. (Cycle B).
An evaluation of the biblical foundations and emphases of Roman Catholic theology both historically and since Vatican II with special reference to Protestant-Catholic relationships in missionary settings.

MIS 407 — Cross-Cultural Evangelism. 3 hrs.
A study of the principles of cross-cultural communication and their application to the task of communicating the biblical gospel in a relevant way to people of other cultures and religions (Prerequisite: SOS 233).

MIS 418 — Missions Seminar. 2 hrs.
A cooperative, critical review of the missions education and experience of world mission majors, including projected applications of the education to an anticipated type and place of service (Prerequisite: completion of at least 20 hours of World Mission courses or permission of program director).

MIS 457 — Contemporary Missiologists. 2 hrs. (Cycle A).
A study/discussion of several contemporary missiologists, based on their writings and/or video-tape lectures. A wide cross-section of theological positions will be included and evaluated.

MIS 467 — Modern Cults. 2 hrs. (Cycle B).
An evaluation of the theology and evangelistic techniques of such groups as the Unification Church, Mormons, and Jehovah's Witnesses.

MIS 477 — Missionary Nursing. 2 hrs.
An orientation for nurses intending to serve in mission hospitals, clinics, and public health programs (Prerequisite: R.N. certification or permission of instructor).

MIS 490 — Field Work in Missions. 1-6 hrs.
An apprenticeship program in which the student observes and participates in a missionary ministry under the guidance of a professional. The student may also receive Christian Service credit with proper arrangement (Prerequisite: 15 hours of World Mission courses or permission of program director).
MINORS

Purpose

In addition to Biblical, General and Professional Studies requirements, as well as a professional area of study, a student has the option of completing the 128 hours required for graduation by taking either (a) a specified number of elective courses or (b) a minor area of study. A minor area of study is outside the major discipline and may vary from 15 to 24 hours depending upon program requirements. A student is not required to have a minor. A listing of available minors is given below:

Minor in Biblical Languages

(see below)

Minor in Broadcasting (this page)

Minor in Camping (see page 52)

Minor in Christian Counseling

(see page 50)

Minor in Christian Ministries

Management (see page 56)

Minor in Early Childhood Education

(see page 71)

Minor in Music Ministries (see page 62)

Minor in Pastoral Ministries

(see page 69)

Minor in Secretarial Science

(see page 56)

Minor in World Mission (see page 76)

Minor in Youth Ministries (see page 53)

Minor in Biblical Languages

The minor in Biblical Languages is granted upon the satisfactory completion of the following 18 hours of Biblical language courses in conjunction with a degree program:

GRE 243, 244 Intro to NT Greek 8
GRE 345, 346 Greek Exegesis 6
GRE 447, 448 Adv NT Greek Exegesis 4
or
HEB 247, 248 Intro to OT Hebrew 4
Total 18 hrs.

Minor in Broadcasting

The minor in Broadcasting is offered for students who are interested in exploring creative ways of using radio and/or television in their ministry.

The minor in Broadcasting is granted upon the satisfactory completion of the following courses (15-17 hours):

Course Descriptions

Cycle A — Odd-Even Year (1987-88)
Cycle B — Even-Odd Year (1988-89)

BRO 103 — Principles of Broadcasting. 3 hrs.
A comprehensive view of the broadcast media. Includes a survey of the history of broadcasting, federal broadcast regulations, educational radio and television, and commercial broadcast activities.

BRO 224 — Writing for Broadcast Media. 3 hrs. (Cycle B).
Style, form, and preparation of scripts. Emphasis on skill building for both aural and visual mass media (Prerequisites: ENG 131, 132).

BRO 315 — Introduction to Audio Production. 3 hrs.
Study and performance of audio production and directing, considering the application of skills in broadcasting, media production, and sound reinforcement (Prerequisite: SPE 121X).

BRO 316 — Introduction to Announcing. 3 hrs. (Cycle A).
Study and performance of announcing and news reporting, considering the application and skills in broadcasting, media production, and sound reinforcement (Prerequisites: SPE 121X, BRO 315).

BRO 418 — Broadcast Ministries. 2 hrs.
In-depth discussion of the philosophy of Christian broadcasting, program and music selection and scheduling, and cross-cultural communication. Students will explore and report on one or more Christian broadcasting facilities or related Christian ministries including career opportunities, personnel needs, relationships to parent and other organizations (Prerequisites: BRO 103, BRO 315). Offered on demand.
BRO 490 — Broadcast Field Experiences.
2-4 hrs.
Senior Broadcasting minors will be placed in meaningful positions in approved broadcasting facilities or related services, including an overseas missionary broadcasting facility. A minimum of 40 clock hours of satisfactory service per hour of credit, plus both written and oral reports during and at the conclusion of the experience will be required (Prerequisites: BRO 103, BRO 315, and permission of the instructor). May be repeated for credit. Arrangements for this experience must be made well in advance of intended service. Offered on demand.

ASSOCIATE OF ARTS PROGRAMS

Purpose

The Associate of Arts degree is a two-year program designed especially for those who desire the distinctive type of education offered by a bible college but who may be uncertain of their vocational goal, or for those who expect to pursue a major not offered at Fort Wayne Bible College, or wish to terminate their college experience with a two-year program. A total of 64 hours is required for the degree (See Teacher Education for special requirements for Early Childhood Education).

The Associate of Arts program consists of the following core courses plus electives chosen from any of the areas specified below. A student may focus elective hours from regular course offerings in any one area of study, subject to program requirements. Such elective hours must be worked out in conjunction with the program director involved.

Graduates of the program are accepted by certain colleges with Junior classification. In some instances, other colleges may require specific electives. Additional information is available from the Registrar.

**CHRISTIAN WORKER’S CERTIFICATE PROGRAM**

The Christian Worker’s Certificate Program is designed for those (a) who are able to enroll for a year only of residence work, (b) who can take only a few courses in residence at the college and wish to complete the remaining requirements by correspondence, or (c) who wish to take all of their work by correspondence. The program involves a total of 33 semester hours (the equivalent of one year of work). Students pursuing part or all of their work through correspondence should bear in mind that course numbering and semester hour allocations may vary from those listed below. Therefore students may need to add more hours of electives (See page 82 for correspondence offerings). Courses necessary for completion are:

ONE-YEAR CONCENTRATIONS

Graduates of other institutions, who would like a one-year concentration in such areas as Biblical Studies and Missions, may design a special program in consultation with the Registrar or appropriate program director.

CORRESPONDENCE STUDIES

Purpose

Fort Wayne Bible College offers a wide range of correspondence studies for college credit in the following areas: Bible and theology, biblical languages, pastoral ministries, Christian education, world mission, philosophy, psychology, communication, history, music, and natural and social sciences.

Correspondence courses are designed to help the following classes of people:

1) students who have classroom conflicts, or who need extra courses, or who must drop out of college temporarily, or who can do more work than average students;

2) ministers who need or want refresher courses;

3) teachers who wish to be certified by A.C.S.I. or who wish to increase their training; and

4) all who desire advanced education but are unable to attend a college for residence study. (A high school diploma or its equivalent is a prerequisite for college credit toward any degree)

While no degree programs are available through correspondence study, up to 32 hours of correspondence credits may be applied toward a degree program at Fort Wayne Bible College. Ten hours of correspondence credits may be applied to an A.A. degree.

Resident students must secure the approval of their program director and the Registrar before registering for correspondence work.

No currently enrolled student may take a correspondence course during the semester in which it is being offered in the classroom, except by special permission of the Registrar. Additional restrictions applicable to enrolled students are addressed in the publication “Guidelines for FWBC Students Enrolled in Correspondence Studies”, available at the Registrar’s Office.
Tuition for correspondence courses is $40 per semester hour. Textbooks are available for rent or purchase through the department.

All students who plan to participate in the graduation exercises of the current year must complete all correspondence work by April 6. Students graduating in June, August or December (but not participating in graduation exercises) must complete all correspondence work by the sixth day of the month in which they are to be graduated.

All courses have been approved for veterans under the G.I. Bill and comply with the provisions of PL 92-540.

MISSION STATEMENT

Fort Wayne Bible College is an evangelical Christian institution of higher education teaching and serving in the bible college tradition. Through the integration of biblical, general, and professional studies, as well as cocurricular experiences, the College provides foundational preparation for life and ministry through the Church in its world mission.

PURPOSE
Fort Wayne Bible College is a bridge to ministry.

PEOPLE
We are bonded together as a caring community of maturing Christians.

PROCESS
We come together in a learning-living environment to explore, integrate, and apply truth concentrated in biblical studies and inherent in general and professional studies.

PRODUCT
We go out as committed, concerned, competent servant-leaders of Jesus Christ to minister through His Church to the contemporary world.
If we work upon marble, it will perish; if we work upon brass, time will etch it; if we build temples, they will crumble into dust, but if we work upon mortal souls, imbue them with principles of fear of God and the love of country, engrave on those tablets of their hearts will enlighten all eternity.
