ANNUAL HOMECOMING

Trojan Eleven to Seek Victory Against Earlham Quakers For Alumni Fans
DAY SLATED OCTOBER 17

N.A.E. President, Herbert S. Mekeel, to Bring Homecoming Banquet Address

Annual Homecoming, one of the most colorful events on the Taylor calendar, will be observed Saturday, October 17.

A large turnout of alumni and former students is expected for Homecoming, which has become increasingly popular with alumni since its beginning 11 years ago.

**Tennis—Cross-Country**

Following a 9:00 o’clock breakfast rally for fund workers, a tennis match will be held at 10:00 and a cross-country match against Earlham is set for 11:00 o’clock.

**Football**

The Trojan eleven will take to the field at 1:30 to face the Earlham Quakers in the Homecoming football classic. Coach Bob Davenport’s 1959 squad is expected to make a good account of themselves for the spirited Homecoming guests.

**Festive Banquet**

The Alumni Banquet will be held at 5:30 in the new dining room with Ed Bolles serving as Master of Ceremonies.

**Mekeel To Speak**

The Homecoming banquet address will be delivered by Dr. Herbert S. Mekeel, President of the National Association of Evangelicals. Dr. Mekeel is also Pastor of the First Presbyterian Church, Schenectady, New York.

Dinner will be served by Howard McCormick, head of Taylor’s food service program. He is associated with the Prophet Company, professional caterers.

**Piano Quartet**

The internationally renowned Piano Quartet will present the Homecoming lyceum program to be staged at 8:00 in Maytag Gymnasium. This group, which originated in Europe just before World War II, is acclaimed for its four-piano arrangements and its breath-taking precision. They have played in every major city in the United States and Canada.

1959-60 ALUMNI FUND PLANS SET

EDGAR W. BOLLES '50
ERNEST SHUMAKER X'31
TO HEAD FUND DRIVE

REGIONAL CHAIRMEN TO STAGE BREAKFAST RALLY

The Alumni Fund drive for 1959-60 is to be launched on Homecoming Day, with a breakfast rally for the fund workers at 9:00 a.m. in the Kerwood private dining room. This will mark the beginning of efforts by the Alumni Association to raise $50,000 and reach a new record of 50% participation this year.

Plans call for doubling the size of the regional chairman organization. Last year 64 chairmen contacted alumni and former students personally, by phone or by mail. Under the new system, each chairman will be asked to call on approximately 5 or 6 alumni and former students in his locality.

OFFICIALS NAMED

Edgar W. Bolles, of Ann Arbor, Michigan, was elected General Fund Chairman by the Alumni Board of Directors. The Reverend Ernest Shumaker, pastor of the Woodside Methodist Church, Indianapolis, has been named National Organization Chairman.

Five area organization chairmen have been selected to date. They are Paul Steiner, Midwest; Gerald Fisher, North; DeWitt Fowler, East; Howard Girard, South; and Dick Meske, West.

NEW "FLIP" CHART

A new flip chart, which presents the financial program of the college in a unique and attractive form, is being printed for use by the regional chairmen and the field representatives of the college. The chart was designed by the college Public Relations Department.

The new chart will be presented at the breakfast rally on Homecoming Day. The General Fund Chairman and the National Organization Chairman will be in charge of the meeting.

San Francisco Alumni Meeting Features Dr. Charles Shilling

Dr. Charles Shilling, '23, represented Taylor at a chapter meeting held September 9 in San Francisco, in connection with his visit to that city for a three day series of science lectures.

Dr. Shilling is Deputy Director of the Division of Biology and Medicine of the Atomic Energy Commission.

The first meeting of the Toledo Alumni Chapter was held on Sunday afternoon, July 26, at the Youth Center, with head football coach, Bob Davenport, representing the college.

Attending were 23 alumni, Taylor students and their parents, prospective students and other friends of the college. The get-together was arranged by Mr. George D. Hawkins, a member of the Taylor Associate Board of Trustees. He was assisted by Evan Bertsche, '49.

The Indianapolis Chapter met July 11 for a picnic supper, with John Siner, '45, and Mildred Swisher Smith, x'45, in charge. College representatives were Bob Davenport and Will Cleveland, Alumni Secretary.

Alumni and friends of the college interested in scheduling a Taylor meeting in their area are requested to contact the Alumni Office.

DR. & MRS. JOHN WENGATZ PRESENT GIFTS TO MUSEUM

A collection of unusual items for the Taylor Museum has been received from Dr. and Mrs. John Wengatz, '09.

Mrs. Wengatz has given several carved birds of various species which were made by primitive natives in Nguadi, Central Congo. Also included was a candle mold.

Dr. Wengatz added to the museum a variety of significant stones for the rock collection.

NEW FIELD REPRESENTATIVE ADDED TO COLLEGE PUBLIC RELATIONS STAFF

The college is pleased to announce the addition of a new field representative for the state of Ohio.

Mr. Homer G. Seevers of Cleveland joined the Taylor Public Relations staff recently on a part time basis to assist in the fund raising program of the college.

For the past 20 years he has been an automobile salesman and during the last three years has ranked 5th in Oldsmobile sales in the entire state of Ohio.

An energetic Christian layman, he is a deacon in the Parma Heights Baptist Church, a member of the Board of Christian Education, president of the Men's Brotherhood, director of the Baptist Training Union, a Sunday School teacher, and a director of the Community Bible Center. Also, he is active in the Christian Businessmen's Committee and in Youth for Christ.

The Seevers' have four sons and one daughter. The youngest son, Robert, is a freshman at Taylor.

New Fund Raising Organization

The appointment of Mr. Seevers represents the first step in Taylor's program to secure a staff of field representatives to work in the area of fund raising. Alumni interested in serving Taylor full-time in this capacity are requested to contact the Director of Public Relations for further information.
THREE MUSIC PROFESSORS OFFER PRIVATE INSTRUCTION TO COMMUNITY RESIDENTS

PRIVATE LESSONS OFFERED IN BRASS, WOODWINDS, STRINGS

Three Taylor professors will offer private instruction in brass, woodwind and stringed instruments for residents of surrounding communities, as well as for Taylor students during this academic year.

Assistant Professor Dale Shepfer, band director, and Edward Joseph Pease, also Assistant Professor of Music, will give instruction in woodwind and brass instruments in a studio provided by the Butler Music Company, Marion, Indiana.

Mrs. Edward Pease will teach violin and other stringed instruments at Taylor. College students taking lessons may receive credit if desired.

Mr. and Mrs. Pease are both Fulbright Scholars who studied this past year at the University of Freiburg, Germany. Mr. Pease is completing his work for the Ph.D. degree at Indiana University. He is an accomplished French horn player, and has taught music privately for eight years.

Mrs. Pease, a concert violinist and chamber music performer, has given private instruction for more than ten years. She has been concert master of two symphony orchestras.

Professor Pease will also direct the band at Jefferson Township High School, Upland.

Taylor Professors Teach In Indiana University Extension Program

Four Taylor professors will teach courses in the Kokomo Extension program of Indiana University, Dr. Milo Rediger has announced.

Dr. Paton Yoder, Professor of History and Political Science, will teach a course in World History, and Dr. Julius Valberg, Associate Professor of History and German, will teach a beginning course in the Russian language.

A course in English will be given by Professor Herbert Lee, and Professor Dalton Van Valkenburg, Assistant Professor of Business and Economics, will teach accounting.

All will teach in the Kokomo Extension Center except Mr. Lee, who will teach in the Marion, Indiana branch.

Drs. Yoder and Valberg are new additions to the extension faculty. Herbert Lee taught at the Center last year, and Van Valkenburg is beginning his fourth year with the extension program.

Mr. Dale Shepfer, now in his third year on the Taylor faculty, received the B.M.E. degree from Baldwin Wallace, and the Master of Music degree from Northwestern University. This past summer he attended the Masters Class of the Domaine School of Conducting at Hancock, Maine, held under the supervision of Pierre Monteaux, former conductor of the Boston Symphony Orchestra.
SEVENTH VENTURE FOR VICTORY
TEAM COMPLETES ORIENT TOUR

Record 53 wins, one loss

The seventh Venture for Victory tour is now history. The squad returned to the States with a record of 53 wins, one loss and one tie. Over 200,000 attended the games, and heard the gospel messages presented by the team during intermissions.

More than 4000 persons attended decision meetings following the games, and enrolled in Bible study courses.

Foreign Press Lauds Victory Team

The following are excerpts from an editorial in the Ming Sheng Daily, Taichung, Taiwan: "... The name of VV team is almost known to everybody in Free China now.... Though purely American, the VV team has a responsibility which extends beyond national boundaries. They have no political background and no desire for money.... Therefore they are different from the ordinary championship — or money-seeking teams, not only in nature, but also in the form of games. That is, in each game they play, there is always a "preaching" program in the half time. Therefore we can consider them as religious crusade.

"At such a time when the world situation is so tense and the entire human race is under the threat of war, the VV team certainly deserves our songs and praises for the holy work of saving the human beings which they are doing for the “Lord” Jesus, with strenuous toiling in playing ball as well as in traveling. May the Lord bless each one of them with health and joy forever, and may the fans be all convinced to receive the World Savior."

G. E. Announces Results of Corporate Alumnus Program

Two Tayorites Participate

Officials of the General Electric Company have announced that 2,033 college graduates in their employ throughout the country have contributed to their alma maters this past school year. The number of colleges represented was 291 and a total of $100,345 was contributed.

The company matched every gift from each alumnus with an identical contribution to the colleges represented.

Two Taylor graduates with the General Electric Company contributed to the alumni fund this past year. Their gifts were matched by the company under G. E.'s corporate alumnus program.

Alumni connected with corporations which sponsor matching gift programs to aid colleges are urged to take advantage of this opportunity to have their gifts doubled.
