McAfee

"A handsome voice, dark in color and ringing... comfortably fluent, the English text was clearly enunciated... beautiful breath control... the charming spirit of the aria was fully realized." Thus said the knowledgeable critic of the New York Times after Raymond McAfee sang a program in Carnegie Recital Hall, New York City.

Mr. McAfee will present a program in Pounders Memorial at 8 p.m. on Friday, Oct. 5 in the first of this season's Guest Artist and Lecture Series. There is no admission charge for any of these programs.

Mr. McAfee came into contact with the living Christ and was saved as a young teenager. Almost from that time, he felt the call into full-time Christian work.

A graduate of Wheaton College and Northern Baptist Seminary, he studied voice under John Dwight Sample and Blanche Branch.

He went to New York in 1959 where he has an active part in Christian Arts, a society founded by Jerome Hines which presents "I AM THE WAY," a sacred music drama on the life of Christ. He is also Minister of Music at Calvary Baptist Church in New York City.

Lincoln National Bank, C.L. Schust Co. Donate

Lincoln National Bank and Trust Co. of Fort Wayne has pledged $10,000 over the next three years to the college as an undesignated gift.

In his letter enclosed with the first check for $2,500 Earl G. Schwalm, president of Lincoln National Bank, said, "We believe you are experts in deciding how to spend undesignated gifts in educating talented young students to do the Lord's work. In fact, you seem to have a special capacity to stretch the purchasing power of your gifts to a point very few colleges have yet achieved.

"We wish you every success in your long-overdue appeal for community support, and we hope our participation will be helpful in establishing a proper level of response."

The C.L. Schust Co., Inc. of Fort Wayne has pledged $2,000 over a five-year period for the South Campus Development program.

This company is a contractor and fabricator of sheet metal products.

Dr. Simpson Named Interim Dean

Dr. Edward Simpson, Chairman of the Division of Christian Ministries, has been named interim Dean of Education in the vacancy left by the resignation of Dr. Byrne. Dr. Gerig will share the burdens of this office with Dr. Simpson until the Lord leads to His choice for permanent assignment to this key post.

Two Faculty Members Promoted

The Governing Board has approved promotion of two faculty members: Rev. Herald J. Welty, Registrar, and Mr. Grant C. Hoatson, Director of Public Relations and Alumni Coordinator. Both have been promoted from Instructor to the rank of Assistant Professor.

New Professors Join the College

Three new teachers join the faculty this fall, two in the Division of Arts and Sciences and one in the Division of Christian Ministries. They will replace Miss Gladys Schumacher, who leaves the college to work in the field of special education, Mr. E. Stanley Leonard, who, with his wife, has become a missionary to Hawaii under the M.C.A., and Dean Harold Mariner, who takes up a new position as field representative in the office of Development.

Joining the faculty as Chairman of the Department of Education and Director of Student Teaching will be Mr. Ted D. Nickel, as Assistant Professor. Mr. Nickel holds a B.S. in Sociology from Wheaton College and a M.S. in Educational Administration from Kansas State Teachers College. He has been employed as a case worker, a boys' club director, a teacher and most recently as teacher and administrator with Central Christian High School in Kansas.

Joining the faculty as Assistant Professor of Education is Mr. Melvin F. Reynolds. He has his Th.B. from Malone College, his A.B. from Asbury Seminary, a B.S. in Education from Kent State University and an M.A. in education from Miami University in Ohio. He has completed all course work for his Master's degree in history at the University of Cincinnati.

Organ Fund Established

The college has set aside about half the cost of a new Allen Electronic Organ for Founders Memorial Chapel. Any friends interested in establishing a memorial by donating the remainder necessary for purchase of the organ should contact the office of the President.

Gone--Not Forgotten!

When we omitted four names from the list of graduates in the last issue of Vision, we hope it did not seem that after they had worked so hard to graduate they were gone and forgotten.

Here are the worthy, and long to be remembered, four: With a Bachelor of Sacred Music degree, Judith Monteal of Caro, Mich., and Torrey Barcanic of Chicago, Ill. With a Bachelor of Music Education degree Ellen Pedersen of Chicago, Ill. and James Clauser of Fort Wayne (with high honor).

Mr. and Mrs. E. Stanley Leonard, now serving the Lord at the Koloa Missionary Church in the Hawaiian Islands.

Education With Dimension

A book presenting the Bible College story: "Education With Dimension" has just been published, written by former B.C. president Dr. S. A. Witmer, now Executive Director of the Accrediting Association of Bible Colleges. It is well worth reading.
Yearly Enrollment Record

Registrar Herald J. Welty reports that enrollment hit a new high again this year with 359 registered second semester for a yearly total of 422. Second semester registration is up 9 per cent, and the yearly total is 7.6 per cent ahead of last year, the previous record year.

Applications for admission for the fall are running slightly ahead of last year as of the first of June. This will probably lead to another record enrollment year unless business conditions force some to delay their education.

Students at F.W.B.C. this year come from 25 states, Canada, Honduras and Jamaica. They represent 32 denominations with M.C.A., Baptist, C. and M.A. and Methodist accounting for almost 60 per cent of the student body. About 57 per cent are women, 43 per cent men.

Among courses of study the most dramatic increases are noted in the Bible and Theology programs with the Elementary Education program close behind.

Hon. E. Ross Adair

Recognizing the increasingly detrimental effect that the onslaught of Communism is having on Christian missions, the college feels that it is vital that we know our enemy and its strategy. Therefore we have invited Congressman E. Ross Adair, member of the House of Representatives from Indiana's fourth district to speak from his wealth of personal knowledge on this subject.

You are warmly welcome to hear Congressman Adair when he speaks in Founders Memorial Auditorium at 8:30 p.m., Wednesday, October 17, on the topic: "Worldwide Menace-Communism."

Student Voice

The Student Association has embarked on a project to improve campus communications. The first issue of the student newspaper Student Voice was published in December, and has since been published monthly.

Faculty gave approval for the publication on a one-year trial basis with Mr. John Durst, Director of the Printing Department as faculty advisor. Editor-in-chief is Barbara Steiner of Fort Wayne.

Approval of the student publication has been extended for another year on the same basis.

Record Budget Approved

The Governing Board met on May 28 and approved a budget of $422,115 for the next fiscal year. This is almost $35,000 more than the budget for 1961-62.

The reason for the increase is mainly due to increased pay for professors, additions to the faculty and staff and to a new retirement program being instituted.

With a very modest increase in tuition (up $1 per semester hour over 1961), the greatest share of the additional funds will have to come from God's people who believe in the cause of Christian education. Those who are interested in having a part in this work are invited to write to the Office of the President, Fort Wayne Bible College, 800 West Rudisill Blvd., Fort Wayne, Indiana.

Lutheran Accredited

The Lutheran Hospital School of Nursing, with which F.W.B.C. has a cooperative program in missionary nursing, is now fully accredited by the National League for Nursing. It is presently the only nursing school in the immediate area accredited by the N.L.N.

In the past the hospital's schools of medical technology and X-ray technology were fully approved by their respective accrediting agencies.

This marks another step forward in the Lutheran Hospital School of Nursing's overall educational program, and adds new stature to the program in missionary nursing offered by the Bible College in conjunction with Lutheran. This program becomes more popular every year. At the end of July, a total of 18 entering women students had approved applications in the missionary nursing program.
A Christian steward you should have the facts about two interest-earning programs:

1. **THE LIFE ANNUITY PLAN**
   - Guarantees the donor an income for life.
   - Generous interest rates and the ability to determine where their money shall be used in the Lord's work, during life as well as after death, make this a most attractive program to many Christians.

2. **THE INVESTOR'S AGREEMENT PLAN**
   - Is designed for those who have money to invest, but desire to have the principal available in the event of need.
   - Money thus invested can do outstanding service in the training of young people for the cause of Christ the world around.

"BIG"—not only because they pay generous interest rates, but because they will help you to earn eternal dividends which cannot be bought at any price.

GET THE FACTS TODAY.

Dear Dr. Gerig:

I am interested in the programs checked below and would appreciate complete information.
