NOTED FOR REVIVALS.

Taylor University has been noted through the years as a college where revivals can be had. There has never been a failure any year. Every year there has been a good revival and sometimes two or three. Often the revivals seem to be spontaneous. Especially is this true at the beginning of the school year. While there have been many unusual manifestations of Divine Power, the greatest perhaps of all came in the meeting held last May when on the night of May 3rd the Holy Spirit fell on them and they all began to testify and praise the Lord as the Spirit gave them utterance. "Now when this was noised abroad the multitude came together and were all amazed and marvelled at the unusual manifestation," and some ran to the altar and were gloriously saved. This was clearly that which was spoken by the prophet Joel.

THE WHY OF A REVIVAL.

Some churches cannot have a revival. There is a reason. Some churches can have a revival. There is a reason. Many colleges do not have a revival. There is a reason. Taylor University has always been blessed by revivals. There is a reason. Revivals never come by accident, nor by preference. It is only when the price is paid.

EVANGELISTIC SINGING.

There is a great demand for Evangelistic Singers in Revivals and Camp Meetings. To meet this demand a strong course in Evangelistic Singing is offered in Taylor University. This includes voice training, drill in conducting a chorus, Bible study and such subjects that will enable one to be a personal worker.
